Our Academic Year

Few of us who have attended Mankato high appreciate the tremendous opportunities and facilities which are made available to us by the administration and faculty. No matter in what avocation or vocation a student might be interested, be it scientific, practical, artistic or athletic in nature, there are courses of instruction open.

However, students and teachers weren't the only people working at MHS this year. For a month we were dodging scaffolds as a crew of decorators repainted the halls.

After only seven years of use, it has already become necessary to expand Mankato high school due to increased enrollment. Work began this spring on the additions, which include classrooms, office space, a music room and more stage and athletic facilities.

Top scorer of the "Fighting Scarlets," Herb Stangland feels dejected after the team's loss in the State tourney.

With the Sputniks, an Explorer and a Vanguard circling the earth, much emphasis was placed on science. With this type of equipment, Bill Bergmark has received many honors in this field.

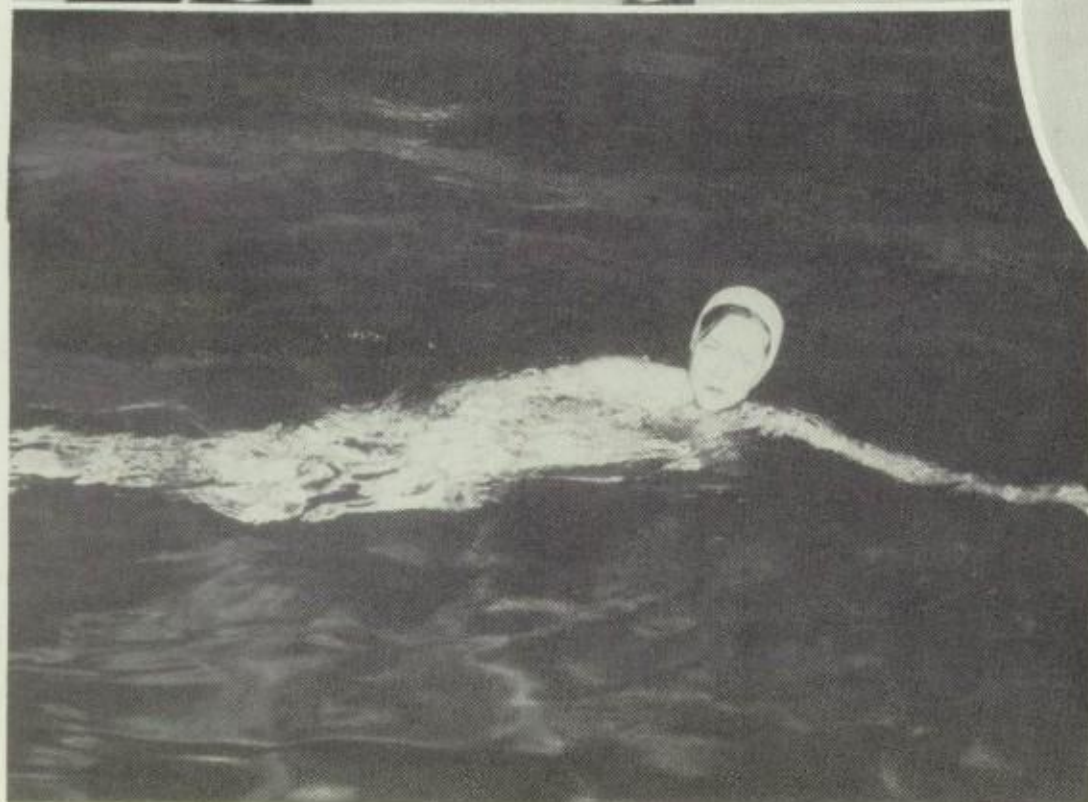

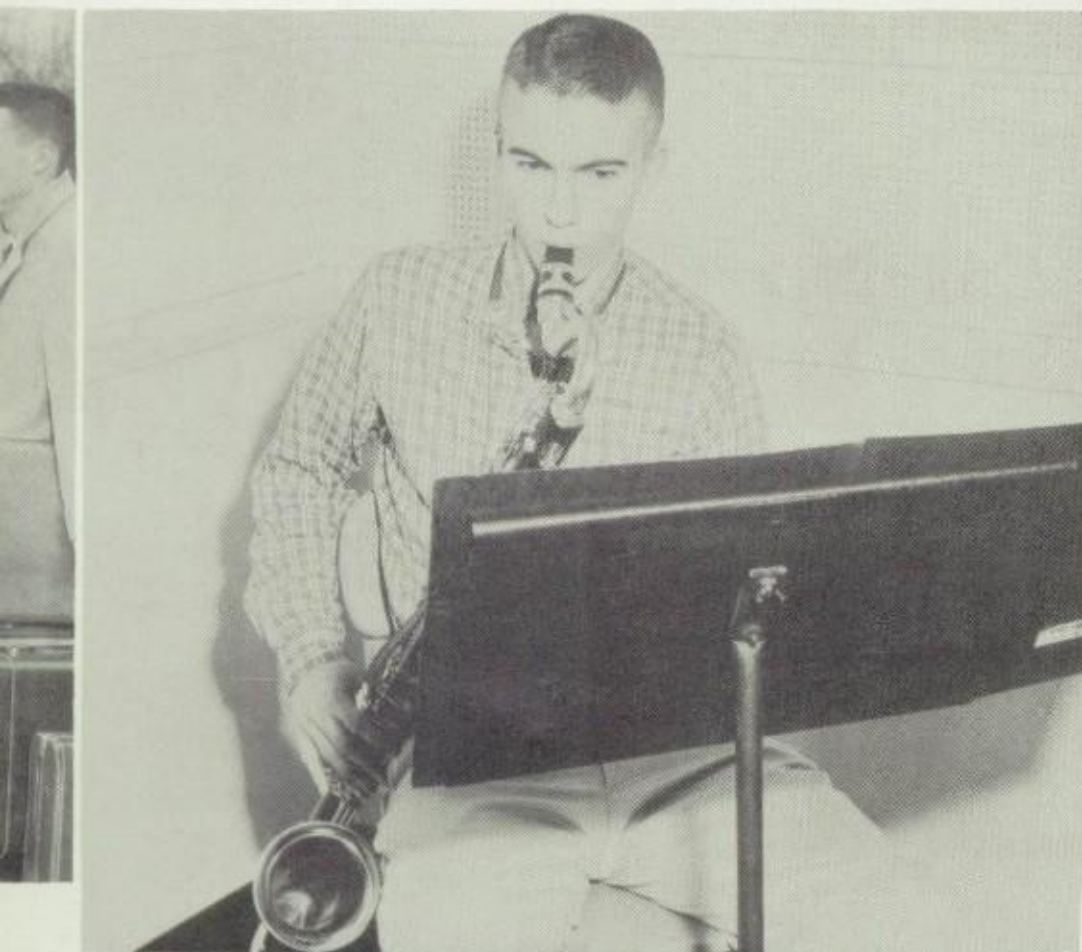

Big trip, fellas? Jerry Roth, Jim Storm, and Kent Smith—three Scarlet cagers and their manager, Fred Lutz, are all set to leave for the State Tournament.

Sharon Watson certainly is no "land lubber" with swimming topping her list of activities.

Science, Sputnik, Study

A BIG EVENT for our school this year, and especially for the seniors, was the participation of the Scarlet basketball team in the state tournament. This was the first time in eight years a Mankato team has won the Region Two crown. We are proud of all our athletic teams that represent MHS and Mankato so well wherever they go.

Events that didn't take place in our school or town but interested and affected all of us were the Sputniks, Explorers and Vanguard that were launched into orbit around the earth. The fact that the Russians launched a satellite before the U.S. did brought severe criticism to America's educational system. But, those of us who are now graduates and products of its classes are firm in our belief in its stability and flexibility.

Part of learning is studying—studying often done in the library. Using these facilities are Judith Mans and Tom Trodahl.

What, Lyman Demaray practicing? It seems he's putting quite a bit of air into that bass clarinet.

With this cake, Nina Robertson shows that she is worthy of the title, MHS Betty Crocker Homemaker of Tomorrow.

FADS, HOBBIES, and part time jobs add variety to school life and keep the students occupied after school hours. During this year, along with ivy league clothes, a new style in fashion (straight from Paris) found its way to the girls in our school. What was it? The chemise, of course, commonly referred to as the "sack." When not working at their various part time jobs—everything from flooding skating rinks to ushering at our local theaters—students at MHS found time to relax and enjoy outdoor sports and other forms of entertainment. Name bands and popular rock 'n' roll singers attracted many students to the Kato Ballroom. All of these activities helped to make our MHS school life interesting.

During his job as usher at the Grand Theater, Ron Solberg sees quite a few MHS students. Hmmmm, Linda Byers and Bob Toner must have finished their homework early.

Janna Polzin has an unusual hobby in flying. It's more common for Janna to take off in the family plane than in the family car.

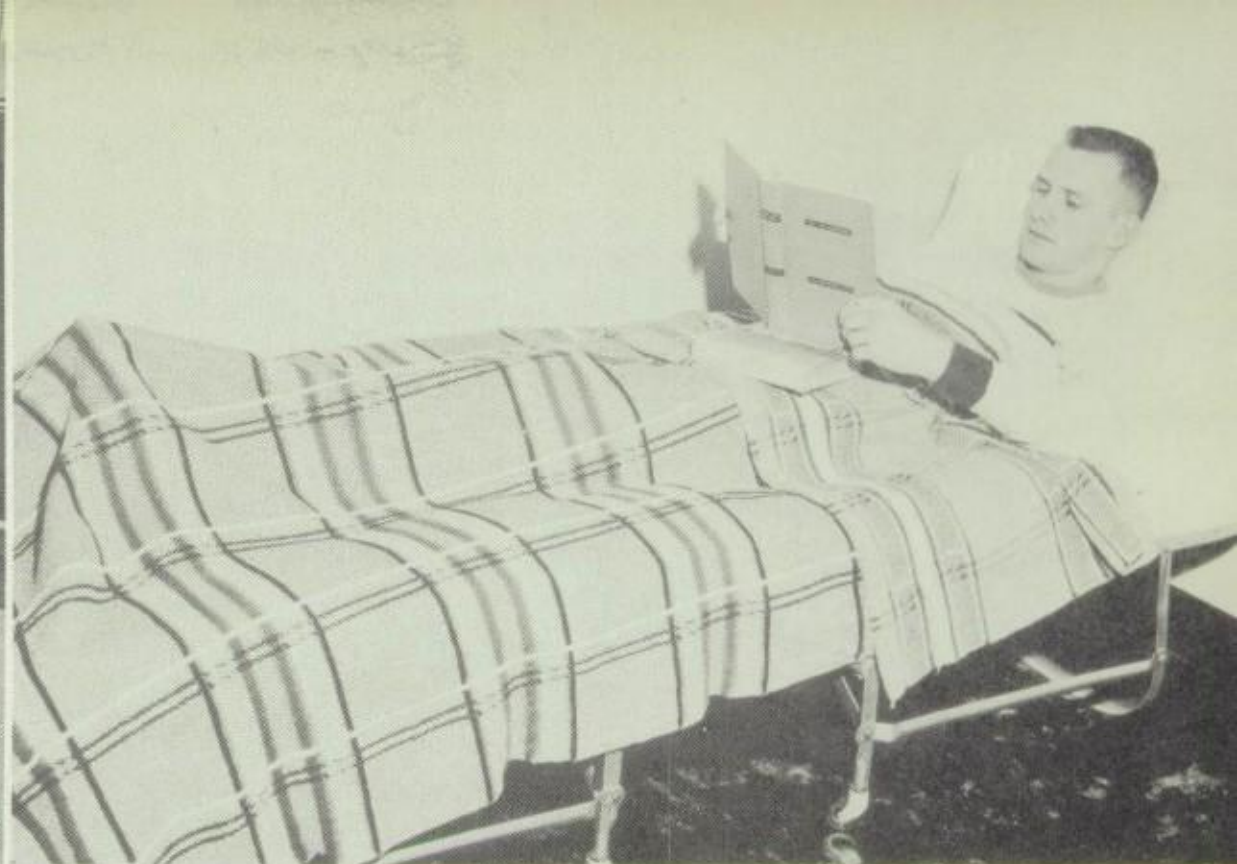

Ivy, Sack, Rock 'n' Roll

Hunting is a favorite pastime for many people, including Jim Hruska and Denny Workman. Here the boys are getting in a few extra shots before the season closes.

One of the more important activities of many MHS students is church work. This is a typical shot of Terry Fuller as he practices the organ for Sunday morning services.

- '58 Fads in Review

Bill Klint has to hit the books since the Asian flu hit him. During the "disease of the year" school attendance was pretty low.

Those new chemises were really the rage in '58 despite all the ribbing the boys gave them. It must be a special date for Jane Williams and Jean Bittner.

Need a little extra spending money? Babysitting seems to solve Jane Fraser's financial problems.

The Everly Brothers caused quite a stir when they appeared at the Kato ballroom. Judy Theissen and Ron Van Guilder got autographs from the two popular brothers, whose first hit was *Bye Bye Love*.

"How's this?" asked Cathy Fitterer as she selected decorations for prom.

"Well, look who's here!" exclaimed Carolyn Meyer and Jim Chesser as they approached Sharon Carlson and Ralph Burns.

SKUNKS, RABBITS, and dwarfs created the atmosphere at the junior and senior prom. Upon entering the gym, students found themselves in the midst of a forest surrounded by huge Spanish moss trees. To the right was the band of Dean Gulbranson, which filled the room with "dreamy" music. To the left was a little house and seven little men standing around. Why, of course! They were the seven dwarfs, and there was Snow White!

'Enchanted Forest' Serves As Prom, Banquet Theme

Warren Peterson shows his date how it's done at M.H.S.

SKUNKS WERE there alright, but only in the form of decorations as you've probably guessed. Here Mankato high school juniors entertained seniors, faculty members, and guests at their annual Junior-Senior banquet in the atmosphere of an "Enchanted Forest."

With an eye to the future, L. Christensen, one of the speakers at the Junior-Senior banquet, gives her views.

Stampeding? Of course not. It's the night of the Junior-Senior banquet and everyone acted like ladies and gentlemen.

Also showing their talents, Terry Fuller and Roger Schmidt played a piano duet.

Singing the *Birth of the Blues*, Jean Bittner entertained at the Junior-Senior banquet.

QUEEN CATHY

Four Princesses

Cathy Fitterer Reigns As Queen

Anxiously waiting in the dim lights of the auditorium on October 18, 1957, the student body finally saw the Queen candidates as a spot light revealed them coming slowly down the aisle to the tune of "Scarlets." As they met their escorts, tension mounted. The big moment was about to become a reality!

Roger Schmidt, Yell Club president, paced back and forth looking, deciding and wondering. Screams and cheers echoed through the auditorium as Roger finally offered his arm to the new queen, Cathy Fitterer. Through tears of joy, she was led to her throne where she was met by the page, Michael Hackett, carrying the crown. As she knelt at the foot of the throne, Roger placed the crown on her head saying, "I crown thee, Queen Cathy, queen of the Mankato high school 1957-58 homecoming festivities!"

Robed in the traditional red and white, Queen Cathy was presented one dozen red roses by Liz Nelson in behalf of the student body.

Queen Cathy then began her reign over all the homecoming festivities including the bonfire, parade, and the dance in the evening.

'Kato's Game, Austin's Shame'

A serious moment as Roger Schmidt, Yell club president, crowns Cathy homecoming queen for 1957-58.

FROM THE coronation ceremony to the dance later that evening, the happy spirit prevailed. The day before homecoming we saw hoboes parading around in their new finery. There were about three who were really outstandingly dressed in such costumes as backwoods people, cowboys, and Chinamen.

Mankato high school's 1957 homecoming parade started at the school at 3:15 p.m. and proceeded down Front street. The parade consisted of twenty-nine homeroom and club floats and the Queen's float. Three bands from Mankato high school, Mankato State, and the Franklin-Lincoln junior high bands added a delightful lift.

Dancing to the dreamy music of Don Deane's Band are Marcia Lehnert and Roger Sinclair.

Nope! It's not Halloween with ghosts and goblins in school; it's just hobo day, and these three sure do look dressed for the occasion.

Primping before they go into the auditorium, for that "big moment," are the queen candidates.

Parade, Game, Dance Close Day

Early Friday morning students came to school carrying large bundles and odds and ends for their floats, which competed for prizes in the parade that afternoon. *Bear On To Victory* was the float picked for first prize, which was submitted by Mr. Haugen's junior homeroom.

Cheers rose and the band played that evening as we met for our annual bonfire. The cheerleaders lit the fire and led the cheers and school rousers. By the time the fire had reached its peak and was burning brightly, so was the student body, eager and enthusiastic as they followed in a snake dance that ended at the football field for our homecoming game with Austin.

Enthusiastically leading the cheers at the bonfire were T. Manderfield, S. Gosewisch, D. Bohnert, S. Anderson, and L. Nelson.

In her excitement to greet her Uncle Dewey, Tup forgot her manners.

"Easy on the jug Di, you have a long night ahead of you."

THE JUNIOR CLASS of M.H.S. presented its annual play in November. In a backwoods atmosphere created by Spanish moss and an old shanty, the class proceeded with its presentation of *The Great Big Doorstep*, by Francis Goodrich and Albert Hackett.

Despite the fact that many members of the cast were suffering from various stages of the "Asiatic" flu, "the show must go on." And so it did!

While the cast members were busily memorizing their lines, and the directors were seeing to it that they did, we took a peek behind the scenes to see what was happening. When we heard hammering and loud screeches, our interest was directed over to the far left of the room where the Set committee, headed by Jerry Roth, Tom Mueller, and Harold Lang was in the process of building an old

shanty. Behind them was another group of students building and painting the scenery. Large boxes of Spanish moss, received through the courtesy of the Georgia State Junior Chamber of Commerce, were opened every day. As a matter of fact, they were arriving even after the play was over!

DESPITE THE various delays, the cast was ready for its first presentation on Thursday, November 8, at 8:00 p.m. of *The Great Big Doorstep*, concerning the Crochets, an Acadian family of the Missouri backwoods.

When they found a doorstep floating down the Mississippi river, they put it in front of their small shanty and thereafter endeavored to live up to its significance.

After the last show, the cast, directors and committees, with their dates, attended a party given by Harold Fitterer, director of the play and junior English teacher, at the Episcopal church.

Nine Scenes, Three Acts, 22

Offering a challenge to the senior class this year was *The Robe*. The play highlighted the story of a Roman Christian, Marcellus Gallio; his slave, Demetrius; and his sweetheart, Diana Gallus. Centering around the mysterious effect of Christ's robe upon all who came in contact with it, the play was dramatic and the cast gave an inspiring performance.

The play opened with the cross scene, added to set the mood. With nine scenes and a large cast the play proved to be the most difficult presented at Mankato for many years.

RAGES THROUGH THE AGES was the theme of the 1958 choir variety show.

The theme was carried out by dividing the show into eras which included the Elizabethan Era, 18th Century Drawing Room, Westward Ho, Gay 90's, Roaring 20's, Forties and Fifties and the Best of Broadway.

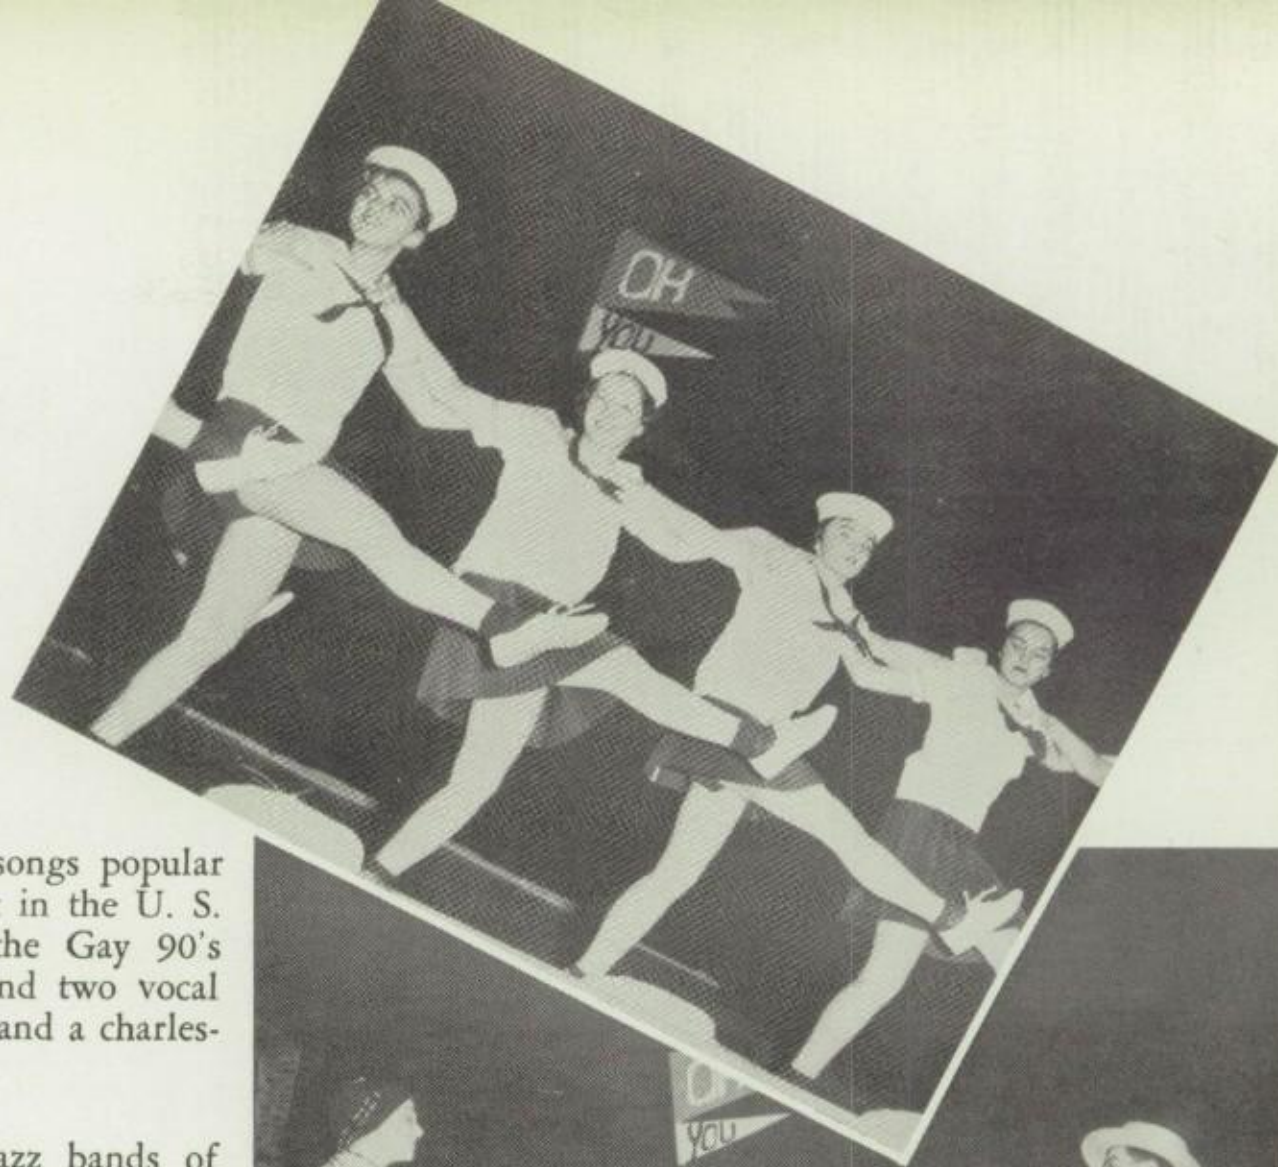

Highlighting the Elizabethan Era was a madrigal group which sang *In These Delightful Pleasant Groves*. A clarinet quintet, a string quartet and a minuet were presented in the 18th Century Drawing Room set.

"Hold on Dave!" says Joan, in the Habinger and Bohnert tango routine.

Strutting their stuff in the senior girls' chorus line are C. J. Meyer, L. Byers, S. Anderson and J. Strand.

NEXT THE CHOIR sang four songs popular during the westward movement in the U. S. A Sunday afternoon during the Gay 90's was the setting for a piano quartet and two vocal quartets. Next a soda shop pantomime and a charleston portrayed the Roaring 20's.

Illustrating the Latin rhythms and Jazz bands of the 30's were a tango, a piano duet, and a combo along with thirteen senior girls who kicked to *Sailor's Hornpipe*.

A disc jockey introduced the acts of the 40's and 50's. Selections from Broadway productions done by the choir and a pantomime to *Anything You Can Do I Can Do Better* concluded the show.

Concentrating on the music are M. Fasnacht, D. Bohnert, G. Belgiojoso and M. Lehnert in the "Minuet".

Kicking up their heels at the Carnival show are Carole Barton and Johnnie Belgiojoso doing an Italian folk dance.

Receiving their gifts are newly crowned Carnival king and queen, Bob Albert and Ann Warren.

Kato Activities

FROM SOPHOMORE open house to the basketball season with all its games, tournaments and dances, the students of Mankato high school participated in a large variety of extra-curricular activities.

In September, a potluck was given by the senior girls for the purpose of acquainting the sophomore girls and new junior and senior girls with the other girls of MHS.

Another important event of the year was the annual Carnival put on to raise funds for next year's foreign student. A boy and girl from each class were nominated for the Carnival crown. Ballots were cast by placing money in a container representing each candidate.

Next in line was the *'Toys for Tots'* dance, sponsored by the Student Council, for which the admission was a toy or game. The following day, the toys were taken to welfare agencies to be distributed to needy children for Christmas.

A shot behind the scene shows Bill Anderson and Karen Barr operating a booth at the Carnival.

Show Wide Variety

A Final Farewell

Graduation Marks Close of Years

NOW AT THIS day of graduation, we, the seniors of 1958, will venture into the world for each to make his own way. We must use our years of school to help us decide what we want; to help us plant the seed that will, in the end, bring forth the fruit which we most desire. This thought and others very much like it will be the thoughts of each and every senior as he

receives his diploma on this, the day of commencement.

The friends and acquaintances we have made through our years, both in school and in our extra curricular activities, will always remain dear to our hearts. The value of these friends cannot be written on paper, but it is something which can be felt between people. Although names may be forgotten

Eagerly awaiting the presentation of their diplomas were the MHS graduates.

Mr. Donald Swenson, chairman of the Mankato school board, addressed the 1957 graduates before awarding the long awaited diplomas.

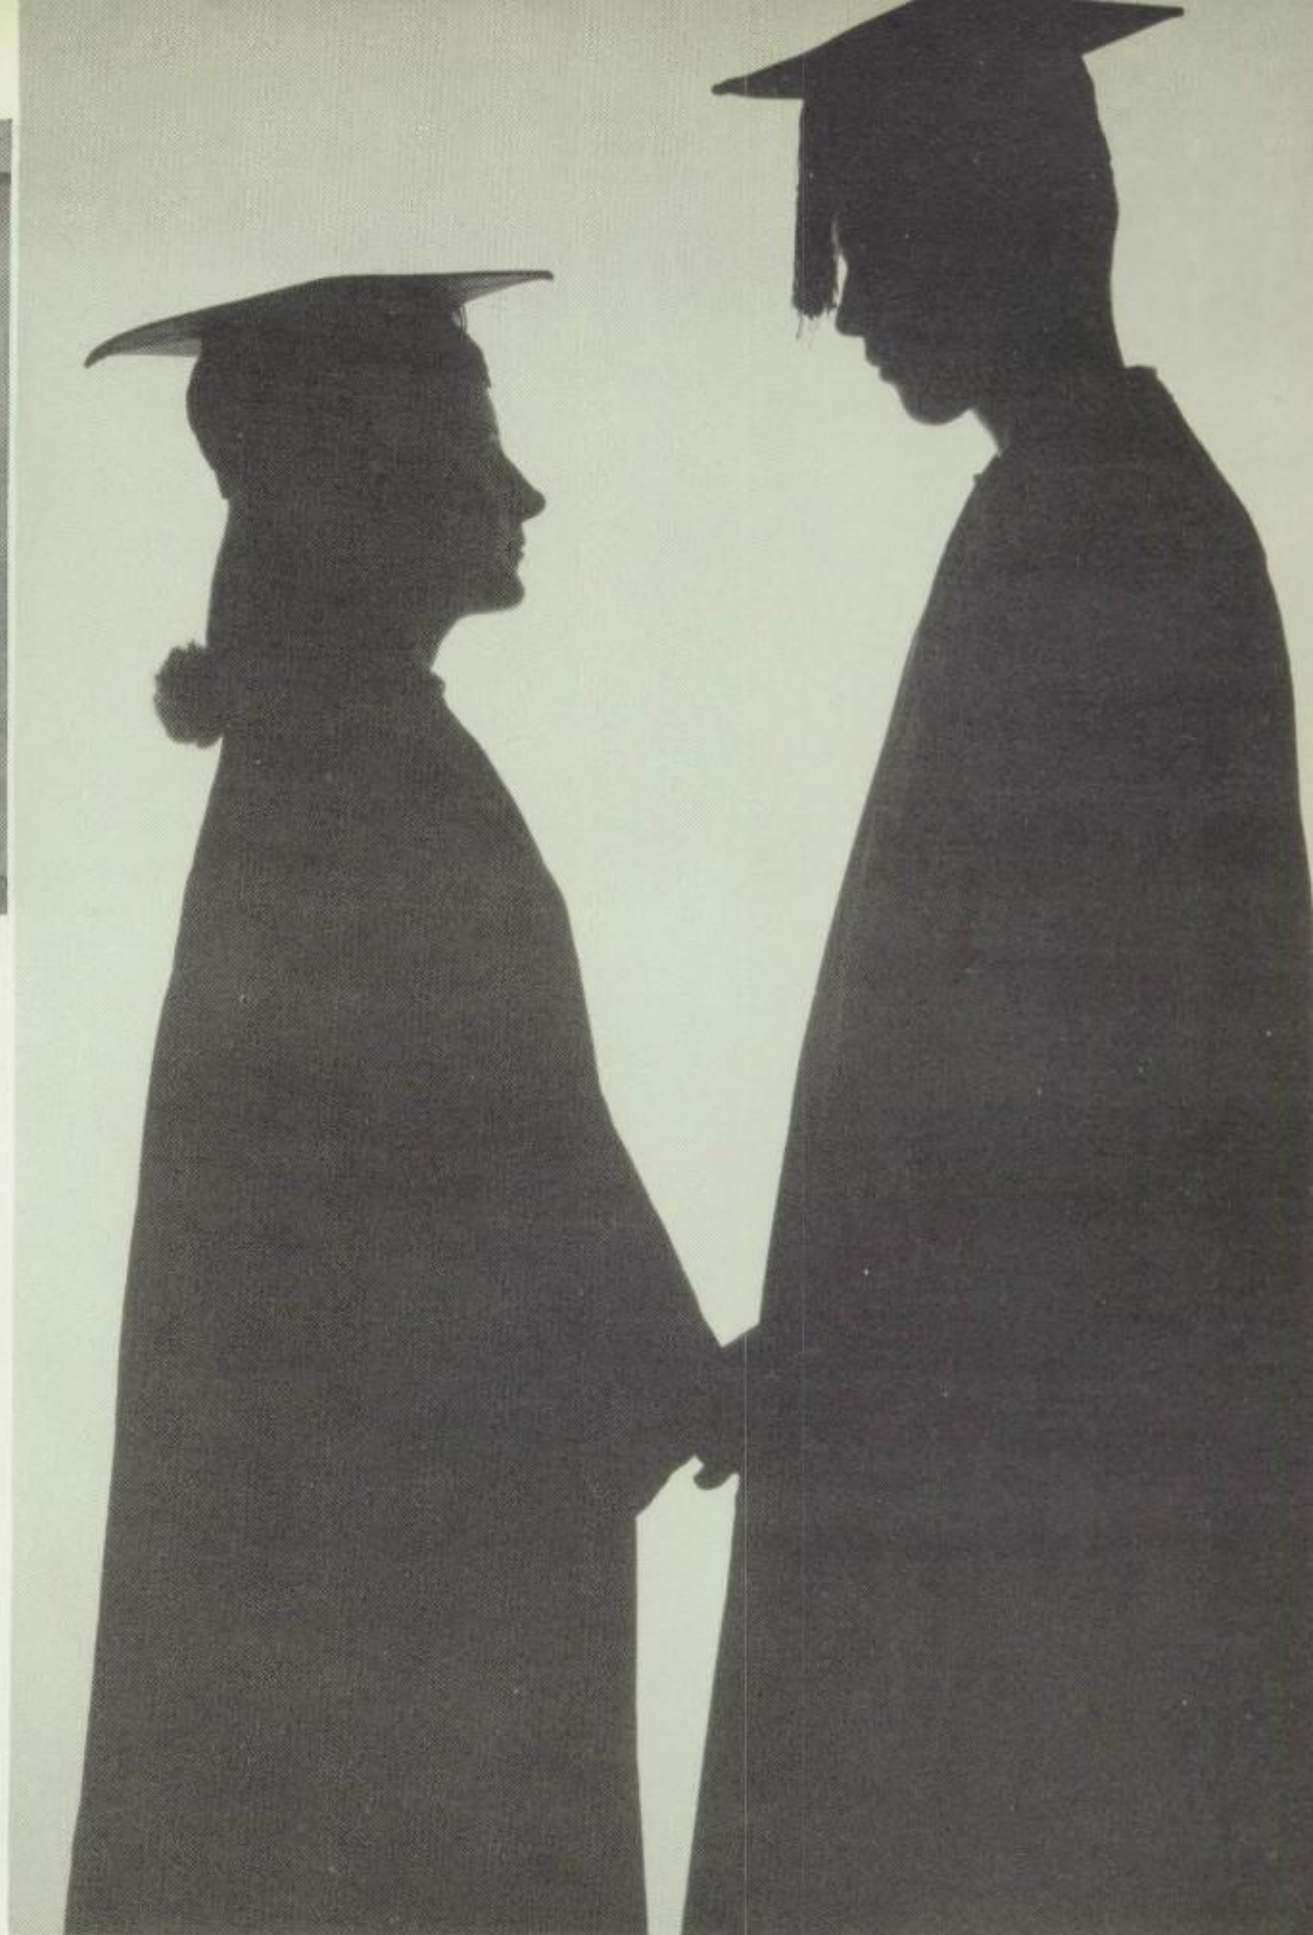

In Kato Halls

as the years go by, the influences that our classmates and teachers have had on each of us will remain with us throughout the rest of our lives.

WONDERFUL MEMORIES of games, dances and formals, have filled our scrap books, but they are to be put on the shelf and a new book started — one in which we can relate our joys and happiness and we must also record our failures and misfortunes to serve as a guide both to ourselves in the future and to our children.

The challenge which faces each of us as we leave the halls of Mankato high must not be taken lightly by any of us and as our actions will be based upon the experiences of those who have gone before us, so must we set examples for those who follow.

GRADUATION

Tomorrow's not forever, until you've lost today.
 You can't return to years you've passed, as new paths
 find their way.
 Your heart is bound to circumstance;
 To time and love and tears . . .
 To brighter hopes and freer winds upon the road of
 years.
 Tomorrow's faraway . . .
 As you leave behind the walls of youth and yesterday,
 You see the world before you;
 Behold its power and strength . . .
 The footprints of your existence
 Will mark its streets at length.
 Make your footprints heavy; interred upon the earth.
 Show the way to your success
 And bear man what man's worth.
 Your deeds need not be famous;
 Nor your domains built in gold.
 But live what life has to offer you,
 And bear all she gives you to hold.

Jack played in the backfield in junior high and as a sophomore. However, coach Louis Todnem needed a guard and Jack was drafted. Bill was a starter for the Bombers his sophomore year and this year was brought up to the varsity.

MANKATO GOT off to a slow start in football this year by losing its first three games. In the opening game Winona defeated the Scarlets 14-7. According to coach Louis Todnem this was a typical opening game. The Winhawks scored twice in the first half and the Scarlets scored once in the second half, which ended the scoring. Faribault handed the gridgers their second loss, 14-7.

MANKATO'S MOST decisive win was its victory over Northfield 27-6. Although the Scarlets only controlled the ball two more times than the Raiders, they completely dominated the game. Losing to Austin 12-0 on the Scarlets' homecoming game the Todmen were handed their fourth loss. Although Mankato played one of its best games they could not upset the Big Nine Co-Champs.

MANKATO WAS able to score its only TD in the first quarter but there after were held scoreless. The loss was attributed mostly to the absence of three Scarlet regulars and the Falcons much improved play. The inability to put together a successful offense was the story when Mankato lost its third straight against Red Wing 19-0. The Scarlets only threat was a drive to the Wingers' five yard line. By defeating Owatonna, Mankato won its first game in four tries. John Peterson, Ron Van Guilder and Bill Anderson each scored touchdowns for the Scarlets.

At Rochester the Scarlets suffered their worst defeat of the season 25-0. Mankato was able to penetrate into Rocket territory several times only to be stopped, driven back or scored upon. Ending the season with a 20-7 win over Albert Lea showed that, although being beaten five times previously, they were able to come back and win.

THE SCARLET cagers began their season with five wins and no losses before dropping their first game to a hot Owatonna ball club in conference competition. Austin was second with 9-1, followed by Northfield and Owatonna. The Scarlets opened the season downing Richfield, Fairmont, Faribault, Albert Lea and St. Peter before bowing to Owatonna which ended the '57 portion of the season.

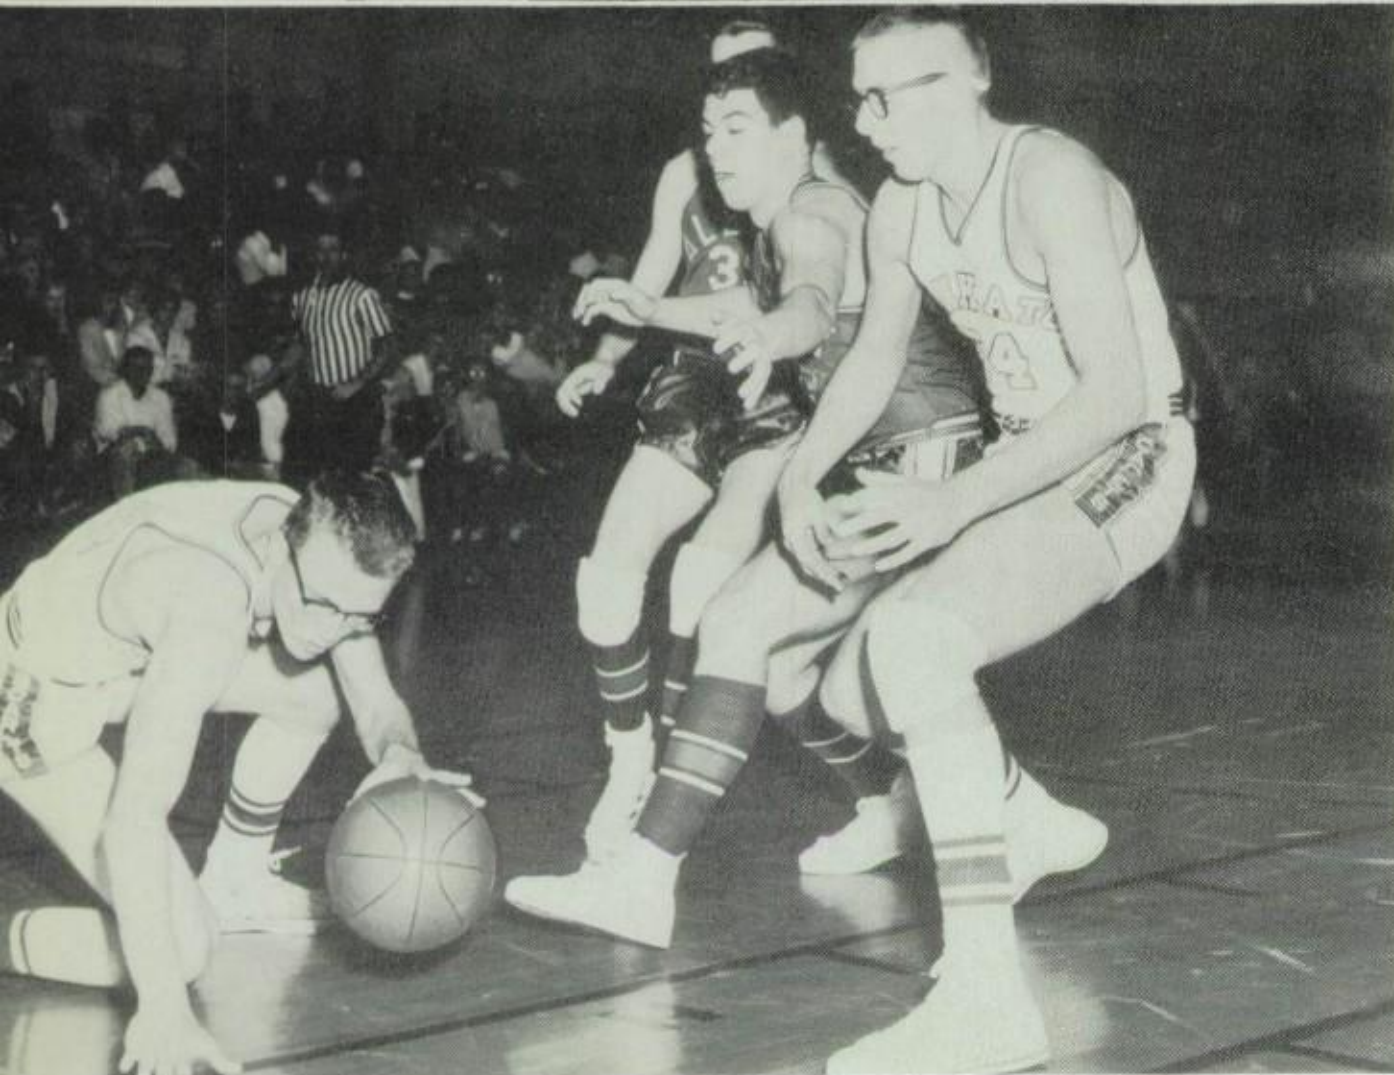

Coach Orville Schwankl and his team took a trip to Little Falls during Christmas vacation to play Little Falls and Staples, Minnesota. Both games proved successful for Mankato, as they had seemingly little trouble. Last year Little Falls came to Mankato, beating the Scarlets quite decisively.

"What's this, boys? Can it be a jacks game? Chuck Eral and Herb Stangland after a loose ball."

ON JANUARY 17, the Cagers downed Winona for their third conference victory. Mankato lost to powerful Northfield on January 24, and downed Waseca 88-64 on January 28. The Cagers squeaked by Rochester 56-54. With only seven seconds left in the game and the score tied, Herb Stangland sunk a drive-in to give the Scarlets the edge.

Unfortunately Mankato was without the assistance of high scoring Stangland in the Owatonna and Red Wing games — both were lost. Stangland pulled a knee muscle that put him out of action. The Scarlets downed Albert Lea in the last scheduled game of the year for their fifth conference win. The Cagers finished the regular season with a 12-5 record going into district play at Mankato State college.

Cagers Take Fifth With 5-5 Circuit Record

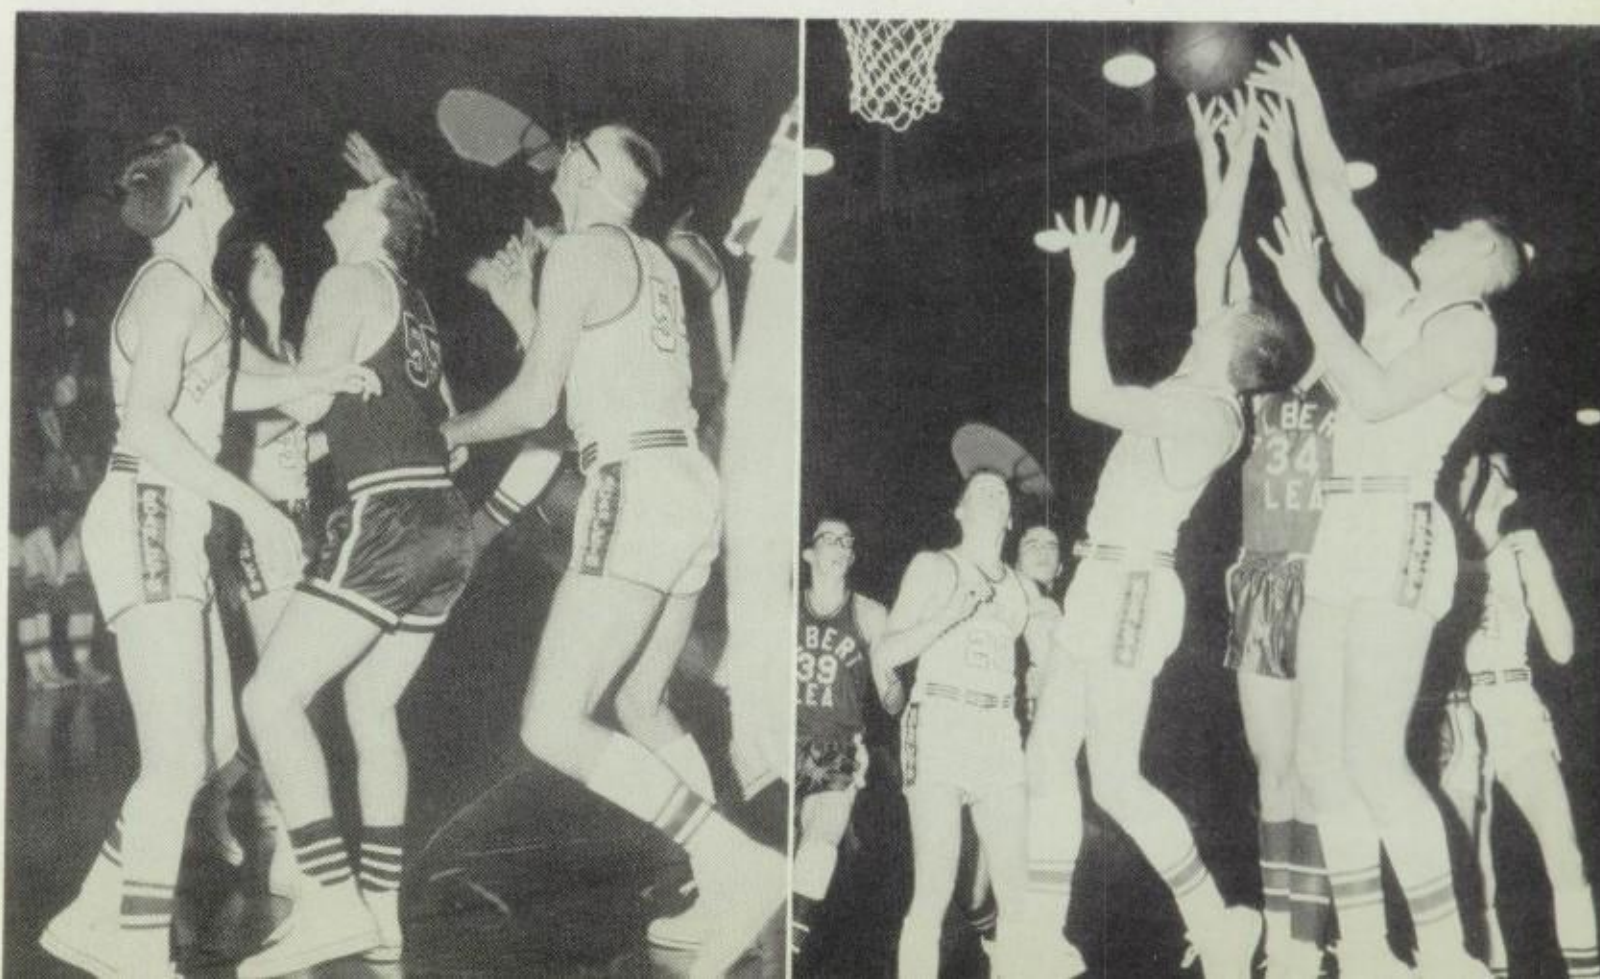

THE SCARLET cagers were beaten 69-66 by a powerful Brainerd five to be eliminated from the championship bracket in the State high school tournament held at Williams arena in Minneapolis. The Scarlets bowed to the Warriors in the last few seconds of the semi-finals. Herb Stangland led the scoring with 25 counters. The team out-scored the Warriors from the field but missed some 21 free throws to tell the story. According to coach Orv Schwankl "It was just one of those nights from the foul line."

The Cagers downed a rugged Mora ball club 71-69 in the opener to advance to the semis against Brainerd. The Scarlets seemingly ran out

of gas against Willmar in a battle for third place losing 71-42.

Mankato forward Herb Stangland scored 60 points for the three game series for a 20 point per game clip. Stangland, a senior, gained all-state honors for the second time, previously for baseball.

Mankato gained a state tourney berth by downing St. Clair, Minnesota Lake, Mapleton, and St. James in the district tournament. The regional tourney, which is held at St. Peter, proved more difficult for the Scarlets. They downed favored Jackson in the first round 77-72 but found going much tougher against Luverne squeezing by 60-59, for the much sought state tourney trip.

Looks as if everyone is looking for the ball. Let's tell Kent Smith and Chuck Eral it could be a basket.

Somebody ought to score here be it Jim Storm, John Peterson or Dick Lee.

THE MANKATO Yannigans completed a fairly successful season with 11 wins and 4 losses. In the Big Nine the Yannies lost only to Austin, Faribault, and Rochester. George Riley and Fred Meyer were two of the outstanding boys who figured in on most of the wins. Both boys are being counted on to help the varsity a great deal next year. It was Coach Len Tritzsch's second year as leader of the Yannigans.

Nine teams participated in the Saturday Morning League basketball program this year with the Rock 'n Rollers coming out on top with a 23-1 record. The Lumber Jacks and the SNAFU'S tied for second with 21-6 records respectively. The Beagles copped the fourth division with 18 wins and 6 losses.

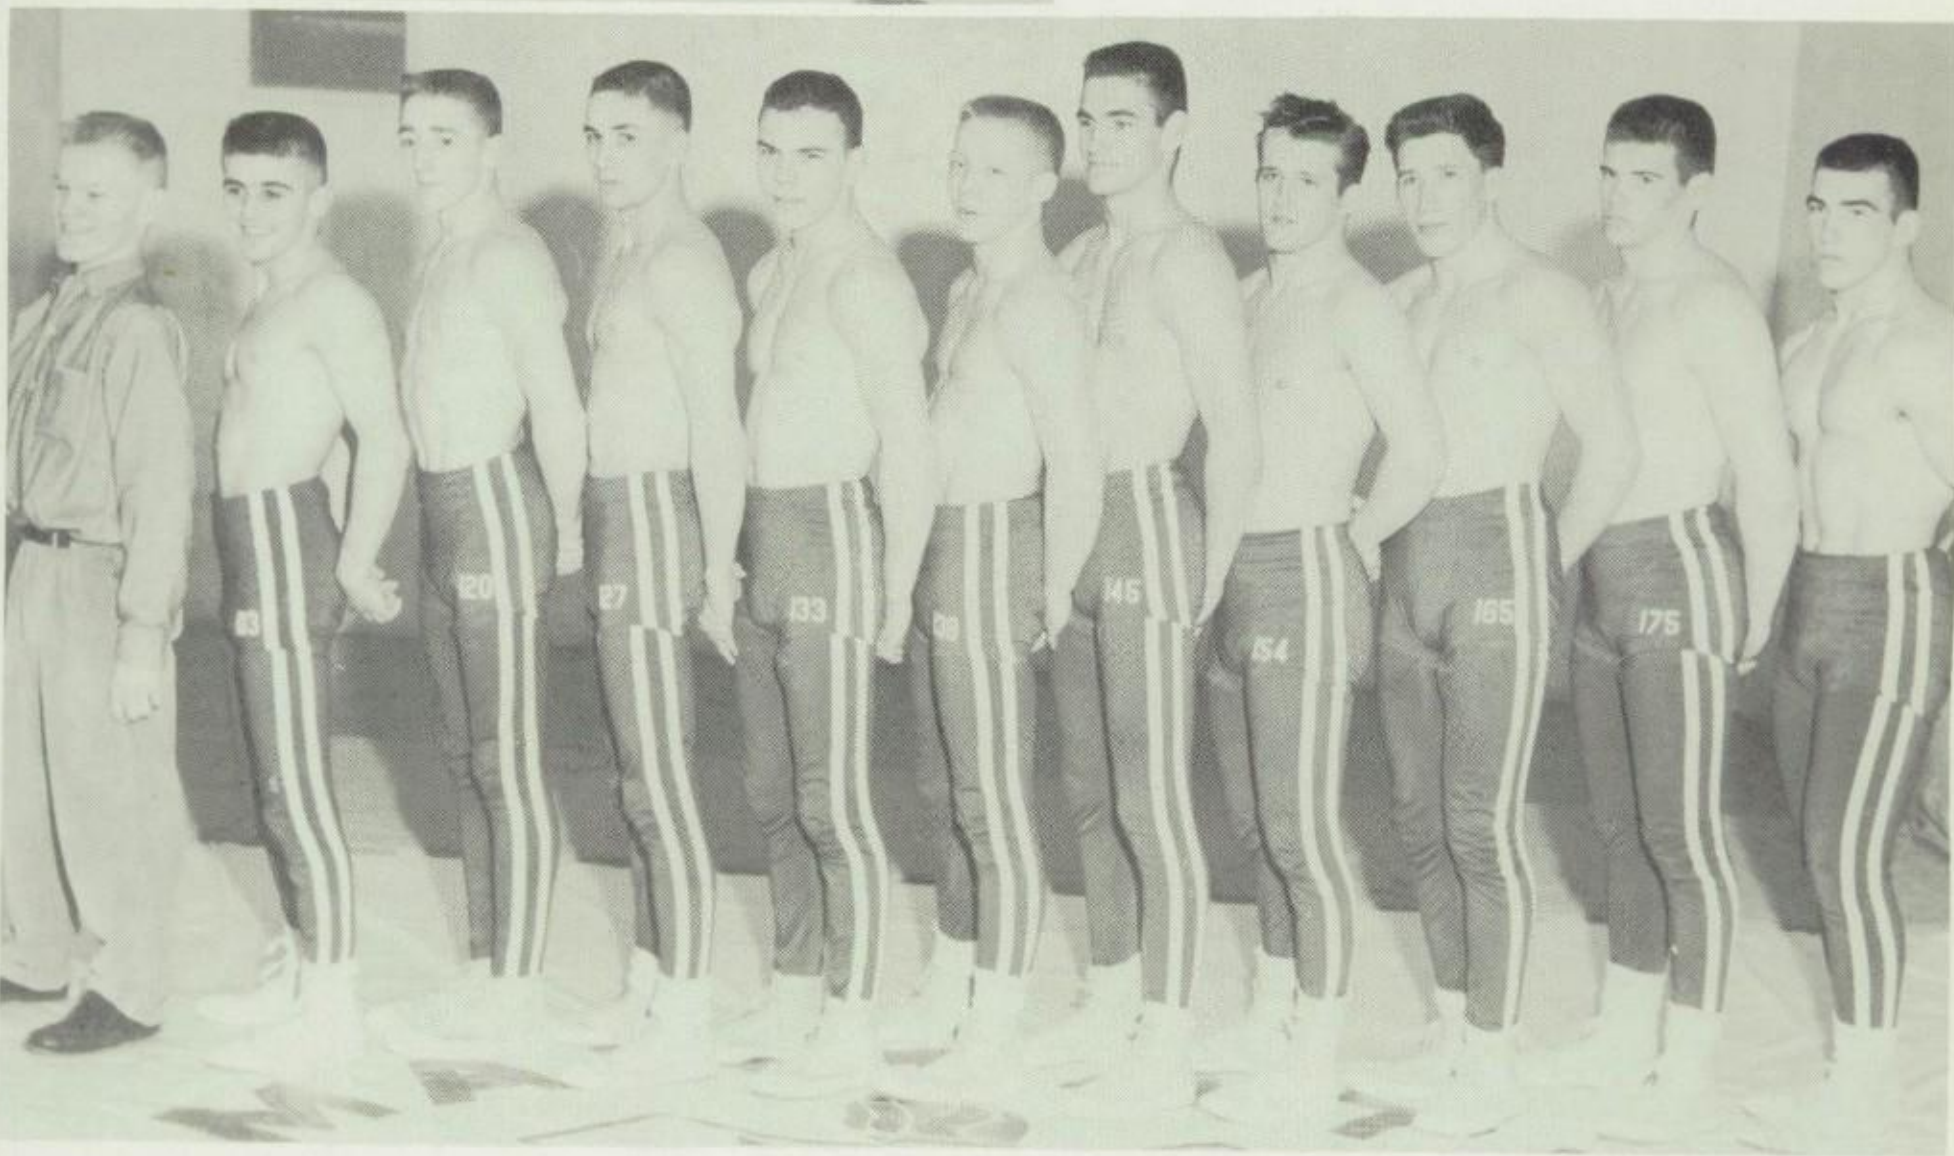

WITH LARRY WARD and Stan Christ leading the way by successfully defending their state titles, Mankato won the runner-up team trophy in the state high school wrestling tournament for the second straight year. Three times in the past four years the Scarlet matmen have placed second, but have been unable to reach the pinnacle. Blue Earth won the team championship with 67 points followed by Mankato with 50. The Scarlets defeated Blue Earth 25-20 in a mid-season dual meet.

MHS entered five men in the tournament, all who placed and lost a total of only three matches. Don Lewis and sophomore Don Christ took second places, and Jim Thomsen captured a third.

Coach Luverne Klar's matmen were unable to defend last year's Region II title as they fell before Blue Earth's torrid Bucs 118-82. Because wrestling is the fastest growing sport in the state, a District 6 tournament was inaugurated with Mankato garnering first place with 120 points.

Boast 21 Consecutive Conference Wins

ALTHOUGH HANDICAPPED by five ex-
perienced under-classmen wrestlers leaving
town, Coach Klar had another effective dual
meet team in 1957-58 which posted an 11-3 record.

A perfect 7-0 Big Nine standing gave the grapplers
their third straight conference championship. Their
three losses were by a total of but 6 points.

Matmen Take Loop Crown; Loose Three Meets

A CORE OF veterans, Jim Thomsen, Joe Naylor, Larry Ward, Don Christ, Don Lewis, and Stan Christ compiled a 70 won and 7 lost dual meet record to lead an otherwise totally inexperienced varsity team to another winning season. Larry Ward ended his career with 48 straight match wins. Junior Stan Christ will be defending a string of 54 straight match wins when competition begins next year.

The matmen, who have 21 consecutive conference wins, will have a chance to break the conference record of 24 straight wins next year. The record is held by Faribault and Owatonna.

In Big Nine dual meets the Scarlets defeated Faribault 38-6, Albert Lea 30-14, Austin 31-14, Winona 34-16, Northfield 39-11, Rochester 41-8, and Owatonna 24-18. In other meets Mankato beat Windom 32-14, Blue Earth 25-29, Robbinsdale 34-12, and Madelia 26-17. Losses were to Britt, Iowa 22-19, St. James 23-21, and Algona, Iowa 20-19.

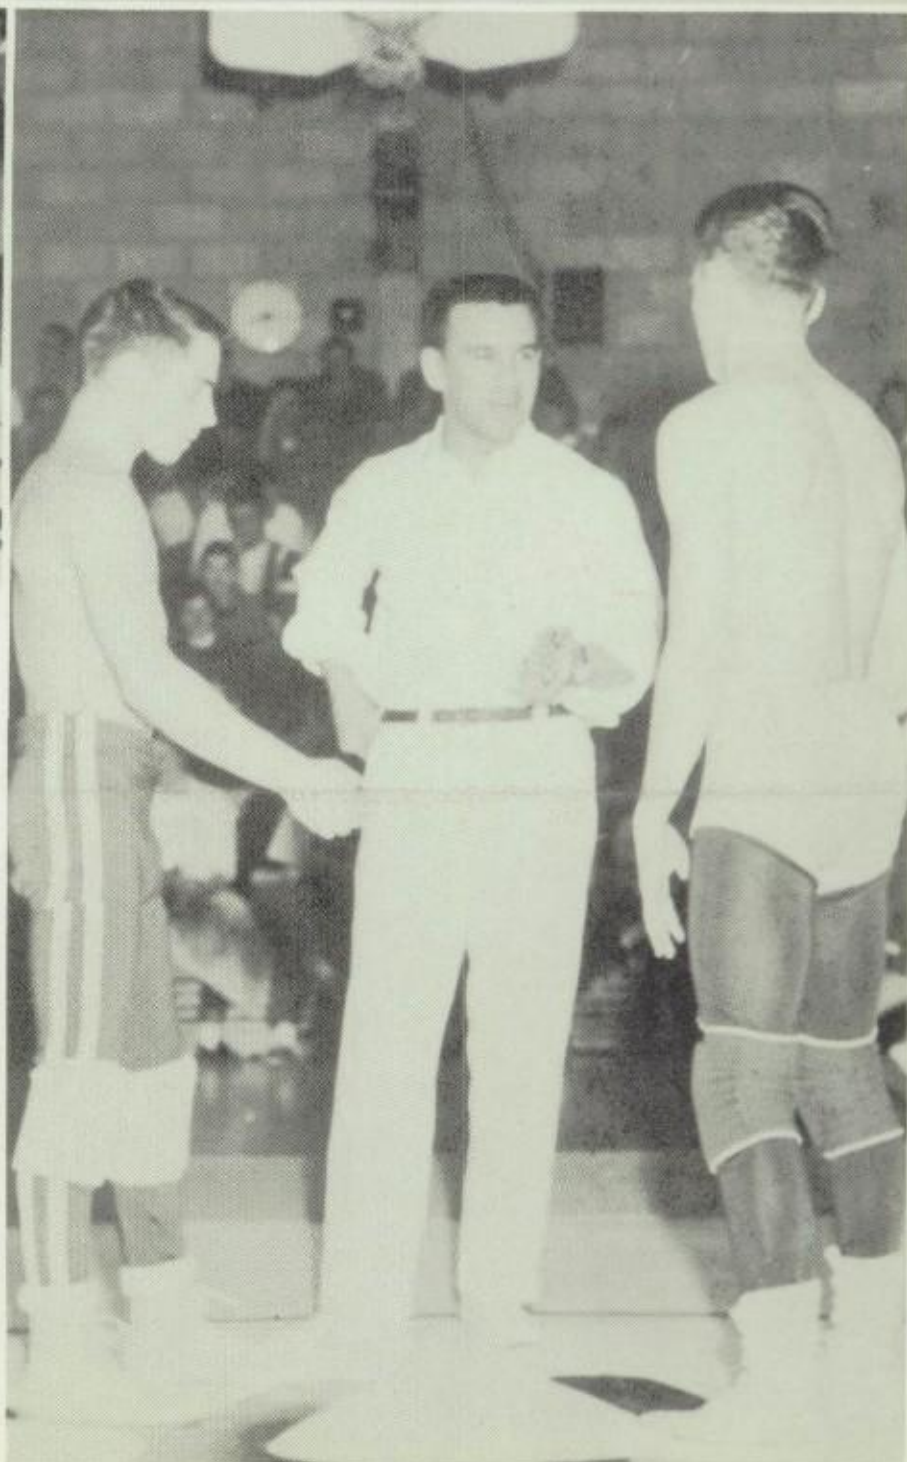

State champ Larry Ward adds another pin to his record of 48 straight victories.

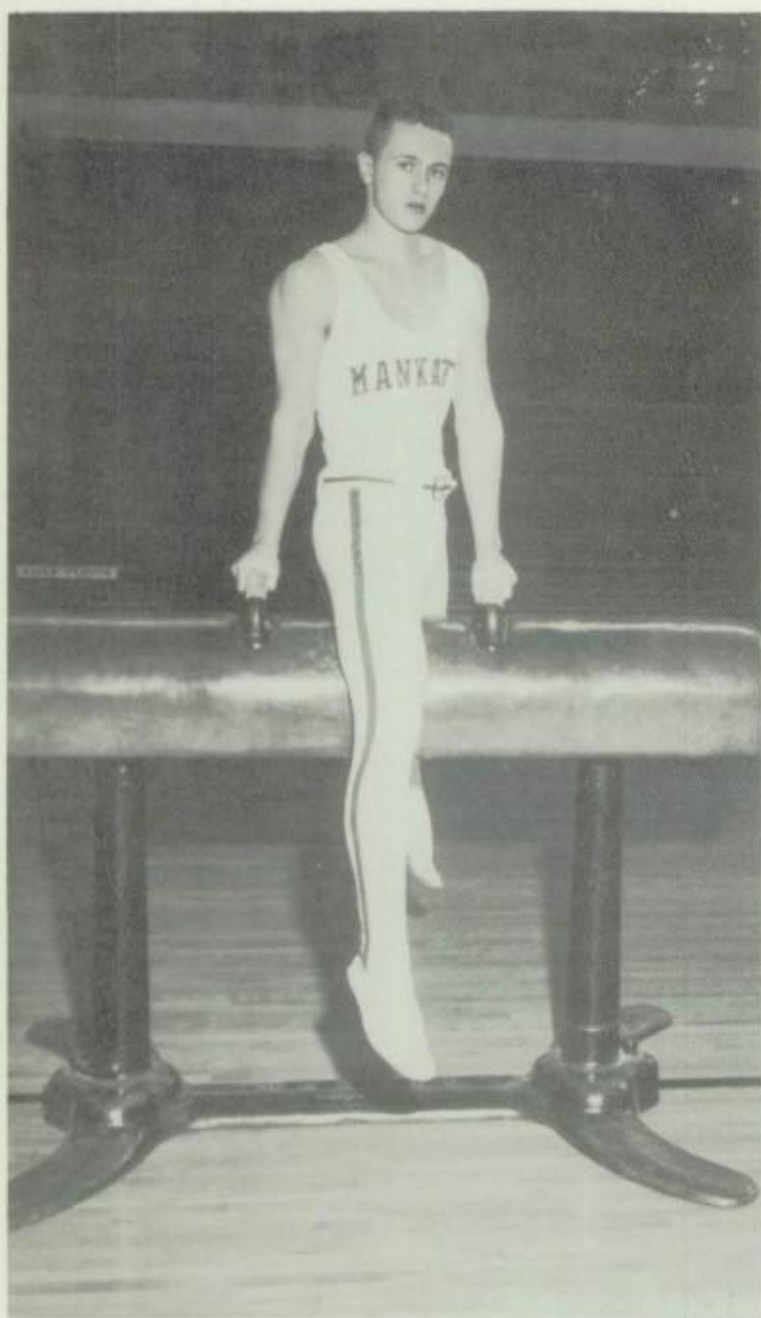

Stan Christ wrestles his way to another victory in his climb to his second state championship.

Squaring off before another bout is Jo Naylor, Mankato's 112 pounder.

THIS YEAR'S gymnastics team was under the leadership of Coach Lee Ball who was in his second year in the Mankato school system, but his first year as Scarlet gymnastics mentor. Mr. Ball, who graduated from MSC, is also the physical education director and health instructor at Lincoln junior high. Mankato's first dual meet competition was at Fairmont where they won the class D division $58\frac{1}{2}$ to $21\frac{1}{2}$. In class C Fairmont reversed the situation by scoring a $28\frac{1}{2}$ to $6\frac{1}{2}$ win. In their second dual meet Mankato split with Glencoe. Glencoe won class D $66\frac{1}{2}$ to $13\frac{1}{2}$, while the Scarlets scored a $44\frac{1}{2}$ to $35\frac{1}{2}$ victory in class C. The longest trip of the season came when the gymnasts traveled to Madison, Wisconsin. There they placed 3rd in the meet in class D; but because of the bad weather, they left before class C was completed. In the only triangular meet of the season Mankato placed first in class C, followed by New Ulm and Sleepy Eye. New Ulm won class D with Mankato and Sleepy Eye following respectively. At the Northwest gym meet, Mankato placed 11th in class D and 16th in class C. Mankato's lone entry in the state meet was John Ellingson who competed on the horse. Daryl Bateman and Roger Schmidt were captains of this year's squad.

'Raquet Squad' Places Zell in State

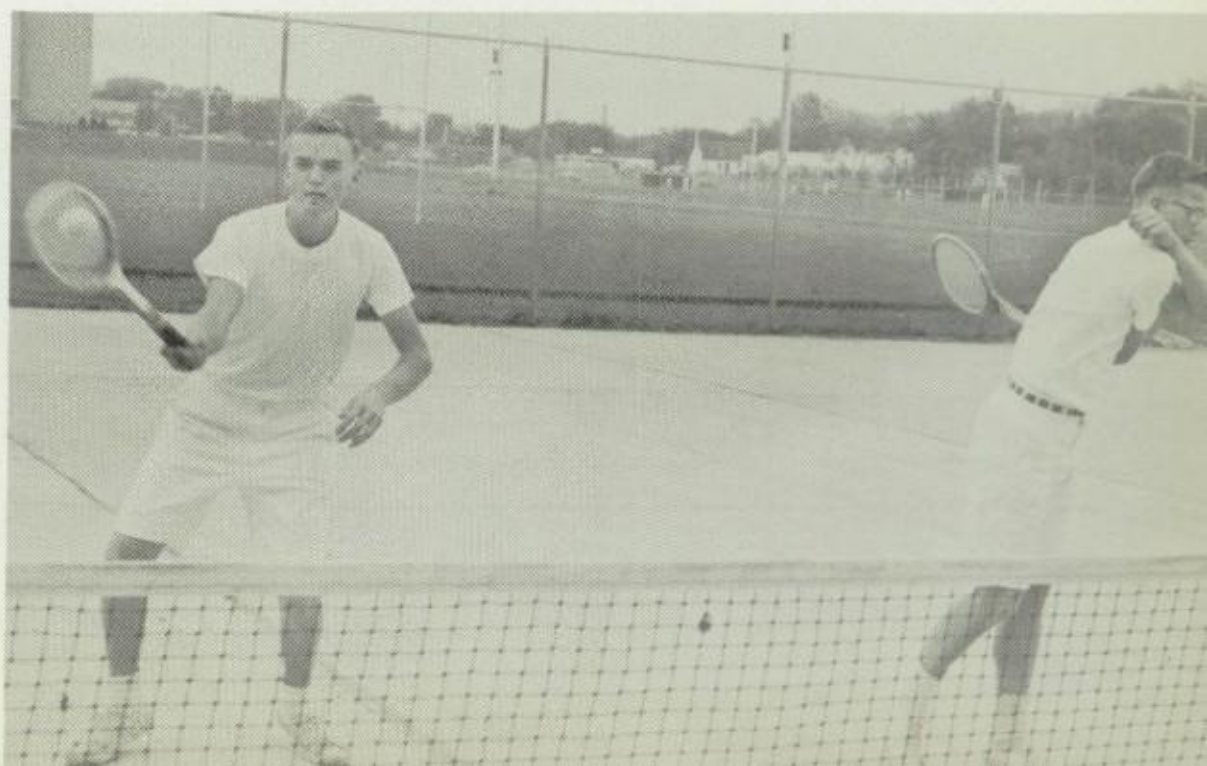

THE YOUNG Mankato tennis team placed forth in the Big Nine, got second in the region and placed one man, Bill Zell, in the state tourney.

The practically all-junior team downed Winona and Owatonna in conference play. In the Big Nine meet, which was held at Austin, Mankato took fourth with Rochester winning the crown.

The netters won the district by beating St. James. Bill Zell and John Wagner both won singles matches with Zell walking away with the district crown. Fairmont won the regional tournament followed by Mankato and St. James. Zell was second in singles being defeated in the finals 6-3, 6-8 and 6-3 by Hovden of Fairmont.

Diamondmen Second in State Meet

ONE OUT away from the state championship trophy Tony Kerick leaped over catcher Don Foudray to find himself standing on home plate with the victory.

Yes, this is the way it went; Mankato jumped off to a quick 2-0 lead, as Don Foudray tripled, Jim Rogers walked, then Herb Stangland singled, driving in Foudray and sending Rogers to third. Rogers scored later in the inning on a wild pitch. The score remained the same until the bottom of the seventh inning. Little Falls led off with a double, which started a rally leading to two runs helped by three Mankato errors. The tying run crossed the plate as pitcher, Tony Kerick, leaped

over catcher Don Foudray, waiting with the ball at home plate. Little Falls scored again in the inning to give them the 3-2 championship victory.

Mankato drew International Falls in the first round, winning 3-2. They downed Edina in the second game 2-1 to gain the finals against Little Falls.

Three boys were named all-staters from Mankato. They were Don Foudray, Dick Lee, and Herb Stangland.

The diamondmen breezed through their District and Regional with no trouble at all. The sackers ended up in third place in the conference play with Austin and Owatonna tied for first.

TRACK HAD one of its most successful seasons, winning 8 out of 11. Among wins were the Indian relays, conference, district and regional meets. The cindermen also placed third in the Indoor Outstate meet held in the field house at the University of Minnesota, and they copped fourth at the Carleton relays held in Northfield.

The thinclads placed five men in the state meet. Representing the team were John Mulrooney in the half mile, Kent Smith in the broad jump, Chic Eral and Brad Near in the discus and Phil Person in the low hurdles. Mulrooney, who took third, was the Scarlets only point getter. Near, Sam Hanson and Mulrooney set new individual records for the Scarlets. Near broke his brother's old record, throwing the discus 142' 11". Mulrooney ran the half mile, setting the new record at 2:00.4 seconds, and Hanson ran the mile in 4:57. New records were also set by the 440 yard relay team, 2 mile relay team and the sprint medley relay team.

Golfers Undeclared in Dual Meets

Displaying Big Nine winning form are MHS golfers, G. Gendler, G. Chesley, J. Neubert, P. Witter, R. Thompson and J. Frentz.

COACH MERV NELSON'S golf team copped the Big Nine dual meet championship for the third straight year.

Co-captain Gary Gendler paced the team to a dual meet record of six wins and a tie, and second place in the regionals. Gendler also placed eighth in the state tournament. Teams that the linksters defeated during the season were Northfield, Winona, Albert Lea, Owatonna, Rochester, and Red Wing. They also tied Austin, the winner of the one day conference meet at Austin.

Girl Athletes Participate in Sports Groups

THE GIRLS' sports in MHS are divided into six parts: Dolphins, Scarlaphins, Tumbling, SML, GAA and Modern Dance.

Dolphins, a girls' swimming club, is composed of about 30 girls. Each year they work toward their annual water show. The year's show was entitled "Around the World." The club also put on a show for the carnival. A few members of the club traveled to Ely, Minnesota, to attend a synchronized swimming meet.

Scarlafins is another swimming club. This is composed of girls who aren't as advanced swimmers as the Dolphins. These girls worked to improve their swimming so they can join Dolphins. This group had one number in the Dolphin water show. The Tumbling club worked on such things as the forward and backward roll, and other acrobatic stunts.

Saturday Morning League, or SML, is a girls' basketball team.

Come, now, girls. That's hardly the way to practice for a show.

Tumbling, Modern Dance Vary Activities

THE GROUP played every Saturday morning during basketball season. The two MHS teams played teams from Good Counsel and Loyola.

The GAA, which met every Thursday, played such games as basketball, volleyball, softball and recreational games. The purpose of GAA is to give girls an opportunity for athletic recreation and to get acquainted with other girls. A main feature of GAA is the play days.

Tumbling—K. Johnson, S. Nordby, M. Greenwald, J. Anderson, J. Rindelaub, S. McLean, S. Gosewich, S. Anderson.

Modern Dance—J. Toner, D. King, M. Dillon, J. Anderson, S. Tosch, R. Breitbarth, S. Carpenter, C. Church, B. Flohr, S. Chesser.

Scarlaphins—Row 1: C. Anderson, S. Tosch, R. Olinger, N. Seawald, K. Broden, M. Orness, K. Saylor, S. Anderson.
Row 2: J. Richardson, B. Flohr, C. Robertson, L. Blackstad, B. Ulvestad, M. Dillon, J. Anderson, S. Cords, D. Myers, J. Willard.

Dolphins, Scarlaphins Specialize in Synchronization

MANKATO PLAYED host to several small towns in southern Minnesota.

Modern Dance club worked on the basic procedures of modern dance. They gave a show in April which was open to the parents and the MSC Orchesis group.

Dolphins—Row 1: S. Fritts, M. Waldorf, C. J. Meyer, C. Meyer, S. Watson, S. Olson, J. Swenson, S. Tillisch, J. Polzin, V. Caya. Row 2: J. Richardson, J. Blethen, L. Nelson, J. Miller, S. Carpenter, K. Johnson, K. Leverson, M. Kolling, J. Rindelaub, S. Burns, C. Loeffler, Eva Thiesfeld, S. Carlson.

Harmonizing in activities

At the end of a century

ERECTED IN 1872, 1958 sees the mansionly Hubbard home as a museum. Such antiques as Geronimo's war club, an Edison phonograph, an Indian dress worth over \$3,000, one of the first American made music boxes and even a woman's scalp are found here. Adding a modern touch to the scene are three seniors harmonizing in an old custom.

DURING THE Christmas season a tree stood in the main hall of MHS. It was decorated with stars bearing the names of the students who contributed to the drive. This was a project planned by the Student Council to eliminate the numerous drives and collections throughout the year. The total proceeds were divided up and given to various organizations.

The Student Council continued to sell shares of stock this year to support the foreign students.

Carnival, Conventions, Projects Busy Council

THE COUNCIL sold popcorn at the football and basketball games. Their biggest money raiser for the foreign students, the carnival, saw a king and queen elected. No talent show was presented. In order to vote, the students had to contribute money toward the fund. This year's foreign students, Carole Barton from England and Giovanni Belgiojoso from Italy, danced an Italian folk dance for the reigning king, Bob Albert and queen, Ann Warren.

When the noon bell rang and the crowd stampeded into the cafeteria, it was met by monitors appointed by the Student Council. They kept order in the lines and voices at a low growl. There was also a new attraction at the basketball games. Neat looking MHS boys dressed in white shirts and dress pants handed out programs and ushered people to their seats.

Council co-vice president Fred Lutz interests Kenya Broden in buying shares of stock. The Council sold the shares to finance foreign students in MHS.

Members of the Big Nine Student Council convention were fed a noon meal in a local church.

Meeting in nearby churches, the Council convention discussed current school problems.

Liz Nelson helped hang stars on the Student Council charity tree.

THE STUDENT COUNCIL and Mankato saw to it that many underprivileged children were happy on Christmas morning by supplying them with toys. These toys were collected at the Toys for Tots dance.

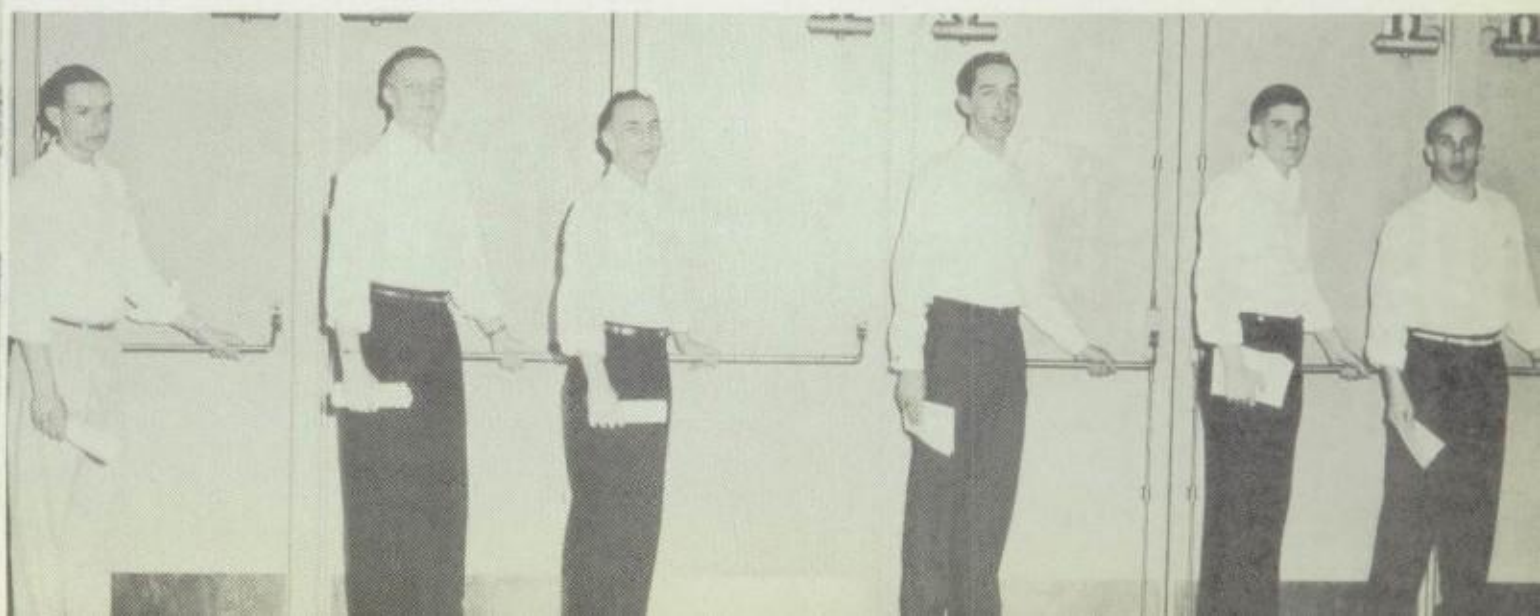

Foreign students all over Minnesota gathered in Mankato for the foreign student exchange conference. There was a panel discussion in which the foreign students participated. Afterwards there was a banquet and a dance. The Big Nine Student Council convention also met here.

The council was headed by Liz Nelson, president; Fred Lutz and Ron Van Guilder, co-vice presidents; Mary Hesla, secretary; Edwin Hewitt, treasurer.

A mixer was provided for convention delegates. Weren't there any boys to dance?

A new innovation for the year were basketball game ushers: J. Hruska, G. Zimmerman, B. Zell, D. Putman, C. Michaelis, Ron Van Guilder.

Debators Take Regional, Fifth in State

ADVISED BY Harold Fitterer, debate coach, the varsity debate squad consisting of Lois Christensen and Virginia Klenk, affirmative side, and Judy Dutler and Garrett Mulrooney, negative team swept the regional debate tournament. Winning the regional trophy, the debaters placed fifth out of 18 teams participating in the state tournament held at Macalester college. This year's debate question was, Resolved: That direct United States economic aid to individual countries should be limited to technical assistance and disaster relief. Other tournaments the MHS debaters took part in included Eau Claire, Estherville, Gustavus Adolphus, Mason City, Sibley, Spirit Lake and St. Olaf.

STARTING THE National Honor Society assembly was MHS 1957 graduate Lynn Soppland as she tapped the first member of this year's selection. These 44 seniors constitute 15% of their class, are in the upper one-third of the class and must show qualities in scholarship, leadership, service and character. The journalistic national honor society is Quill and Scroll. Some of the qualifications for this organization are superior work in some phase of journalistic or creative endeavor, location in the upper one-third of the class and junior status. Both these honor societies have a banquet in the spring. The staffs of the *High News* and *Otaknam* are named at the Quill and Scroll banquet. One of the phases of speech work is found in declam. This organization, coached by Miss Irene Mehlhouse, traveled to several speech festivals throughout the state. Areas represented were dramatic reading, humorous reading, manuscript reading, extemporaneous speaking, memorized oratory, original oratory, serious interpretation and panel discussion.

Radio Workshop, NFL Feature Speaking Activity

SCARLET DOWNBEAT, presented by radio workshop was on Thursday night this year over KYSM. The program featured a regular MC in charge of something different and seasonal each week. SCARLET PARADE, with Les Smothers doing some of the narrating, specialized in news.

MEMBERS OF declam, debate, radio workshop and other students who participated in speaking activities joined National Forensic League after earning 25 points in public speaking. Heading the group were Lois Christensen and Judy Dutler.

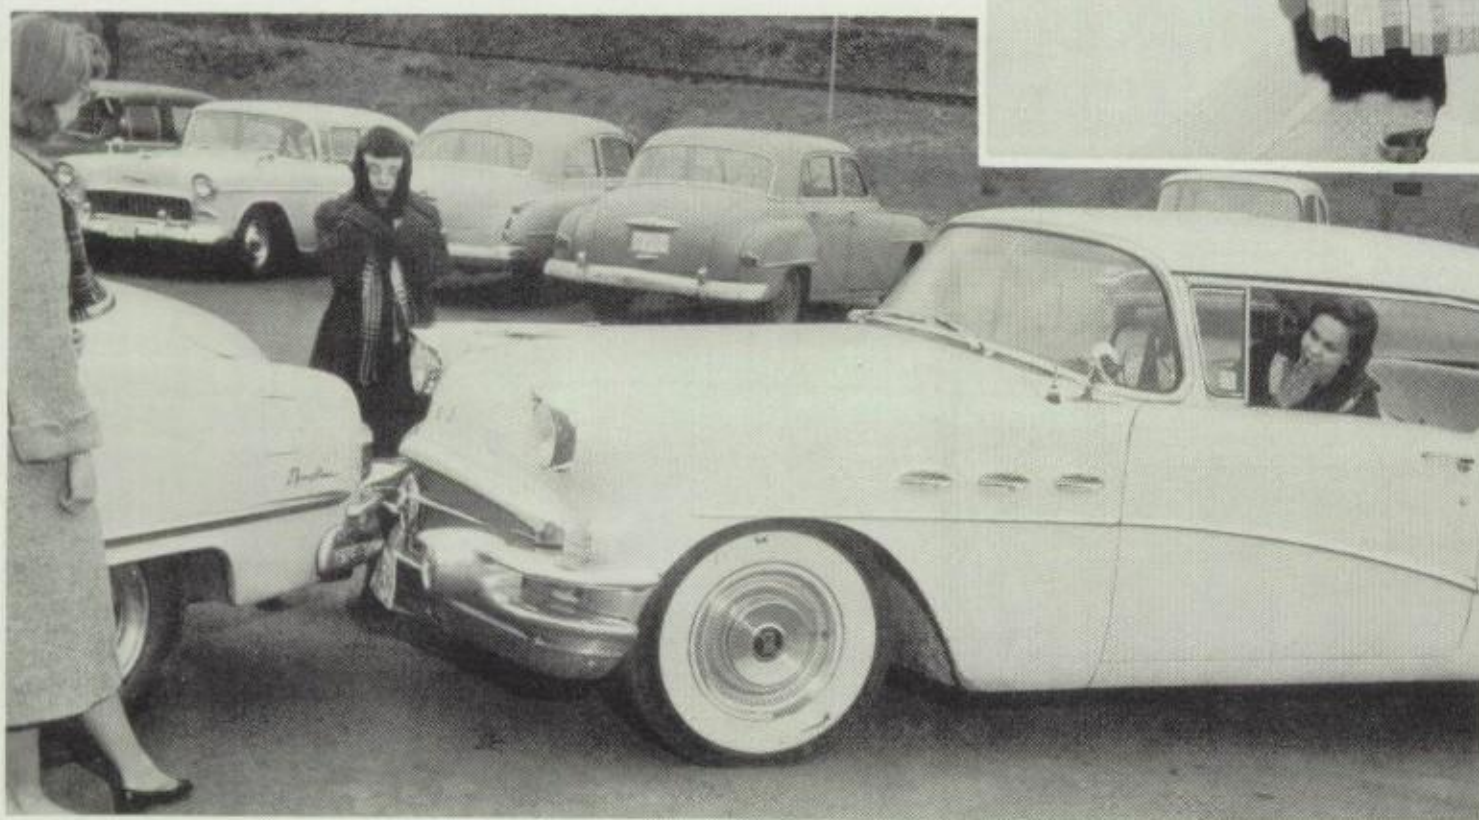

THIS YEAR the "second best" publication out-did itself in its efforts to surpass the yearbook staff. However, we'll have to admit that their work was not all in vain—they did put out an interesting newspaper. In fact, 17 issues were published this year instead of the usual 16.

Where did the junior journalists get their energy? Why, from the candy that they "bought" from the OTAK staff, naturally. Although sixth hour was probably the busiest hour in 205, the staff found time to waste. It seemed that every other day the third page editors were having birthday parties.

The one extra issue was published especially for the Big Nine Student Council convention that was held here this year. The money received from the ads in this paper was used to finance

High News editors Janet Rolstad and Ann Warren ready assignment sheets for an edition of the paper.

the student directory. Picture ads were a new feature in the 17 issues.

The valiant efforts of the staff did not go unrewarded as the High News was awarded an All American rating for the first semester of this year. This is the highest rating a high school newspaper can receive.

Aching feet but plenty of money. Business managers Judy Theissen and Judy Pyles worked and "walked" hard this year to earn money for the publications.

ALTHOUGH THE publication ration was 17 to 1, the Otaknam was responsible for 66 more pages than the High News.

"Fired up" with ideas after attending the NSPA convention in Chicago, the editors' high hopes were squelched by a little item called money. However, this could have been compensated for if twice as much candy had been sold each noon.

Everyone worked industriously (an average of about one day per week) on their sections and the deadlines were met with little or no wear on our advisor's, Miss Mabel Lou Ahrens, nerves. The sports staff was so ambitious that Les and Tom had time to work cross word puzzles. Bill spent his spare time reviewing movies for Lois, Sharon, and Retta.

Band, Choir, Orchestra Bring Music to Many

THE LATEST rock and roll tune or a Bach Prelude may be heard as one passes by rooms 121, 122 and 123. Here the band, choir and orchestra have their daily practices.

One of the programs which the music department gives annually is the Christmas program, which is presented to the student body. The three musical groups also traveled to the Big Nine Music Festival, which was held in Owatonna this year.

In its third year at the Mankato high school, the orchestra presented its annual public concert. Another project of this group was a miniature bowling alley for the Carnival. With the funds made from this activity, the orchestra took a trip to Minneapolis to view the Minneapolis Symphony orchestra.

Eugene Vuicich for the first year was director of the orchestra, while Louise Nelson acted as president. Many of the members of the high school group are also members of the Mankato Symphony orchestra, which presented several concerts during the year.

The biggest event in the choir season is the annual Variety Show, presented by the choral group and their director Melvin Knutson. This program is their sole money making project.

"Rages Thru the Ages" was chosen as this year's theme and it depicted variety starting with the 18th century and continuing to the present.

Band

SEVERAL CONCERTS were on the schedule for the choir this year too. They performed at the Minnesota Education Association, the Kiwanis club and Music club. The Christmas concert at one of the banks is one of the choir's appearances which has become an annual affair. Mary Waldorf acted as accompanist for the 67 voices.

With the coming of fall most students' fancy turns to football, except the 68 members of the Mankato high school band, who, under the direction of Robert Northenscald, provides the musical halftime for the fans.

Girls' Chorus Trains for Future Choir

MR. KNUTSON also directs the girls' chorus, which consists of sophomore girls. This group appeared in the Variety Show, singing songs from Broadway hits.

Providing an appropriate ending to the school year and the high school years of seniors, was graduation. At this occasion the band played *Pomp and Circumstance* and the choir sang *You'll Never Walk Alone*.

One of the choir projects for the year was the annual Variety Show: S. Anderson, S. Rush, J. Bittner, Carol Jean Meyer in the latest bathing suits.

Iva Lou Freeburg and Lola Hanson are members of diversified training classes and have afternoon jobs in the school building.

STUDENTS OF the Mankato high school Business club began the year with a delegate convention in the fall. A spring state convention featured competition in fields including job application, typing and sales demonstration. The group also sponsored an employer-employee banquet. Topping a list of purposes for the club is improvement of public relations techniques and familiarization with problems of the business world. Every year the members of the club keep their own budgets.

With the clubs in the state divided into regions, Waseca sponsored the area regional dinner this year. Held in the winter, it featured a Valentine theme.

Officers for the group this year include Jean Kopp, president; Eugene Homer, vice president; Maxine Murphy, secretary; Tom Lynn, treasurer; Sharon Mason, parliamentarian.

Noting the annual business At the end of a century

IN MANKATO industrial achievement plays a large part in the city's development. Our limestone business, which had its start over a century ago, has progressed to such a point that the famed Kasota Stone has been used in each of the 48 states. Along with other industries of the city, it provides jobs for many MHS students.

PROMOTING SCHOOL spirit is the function of the Yell club. A new addition this year saw Joni Peterson and Jimmy Nelson cheering with the Varsity group. Dressed in red and white like the rest of the group, they were accepted with lively interest.

Homecoming festivities and obtaining the transportation for out-of-town games and wrestling meets were sponsored by the club.

1957-58 Yell club officers were Roger Schmidt, president; Terry Fuller, vice president; Marly Case, secretary; Dick Lee, treasurer. Sponsors of the group were Harold Schuchard and Eiler Ravnholt.

Three Projects Spark M Club Membership

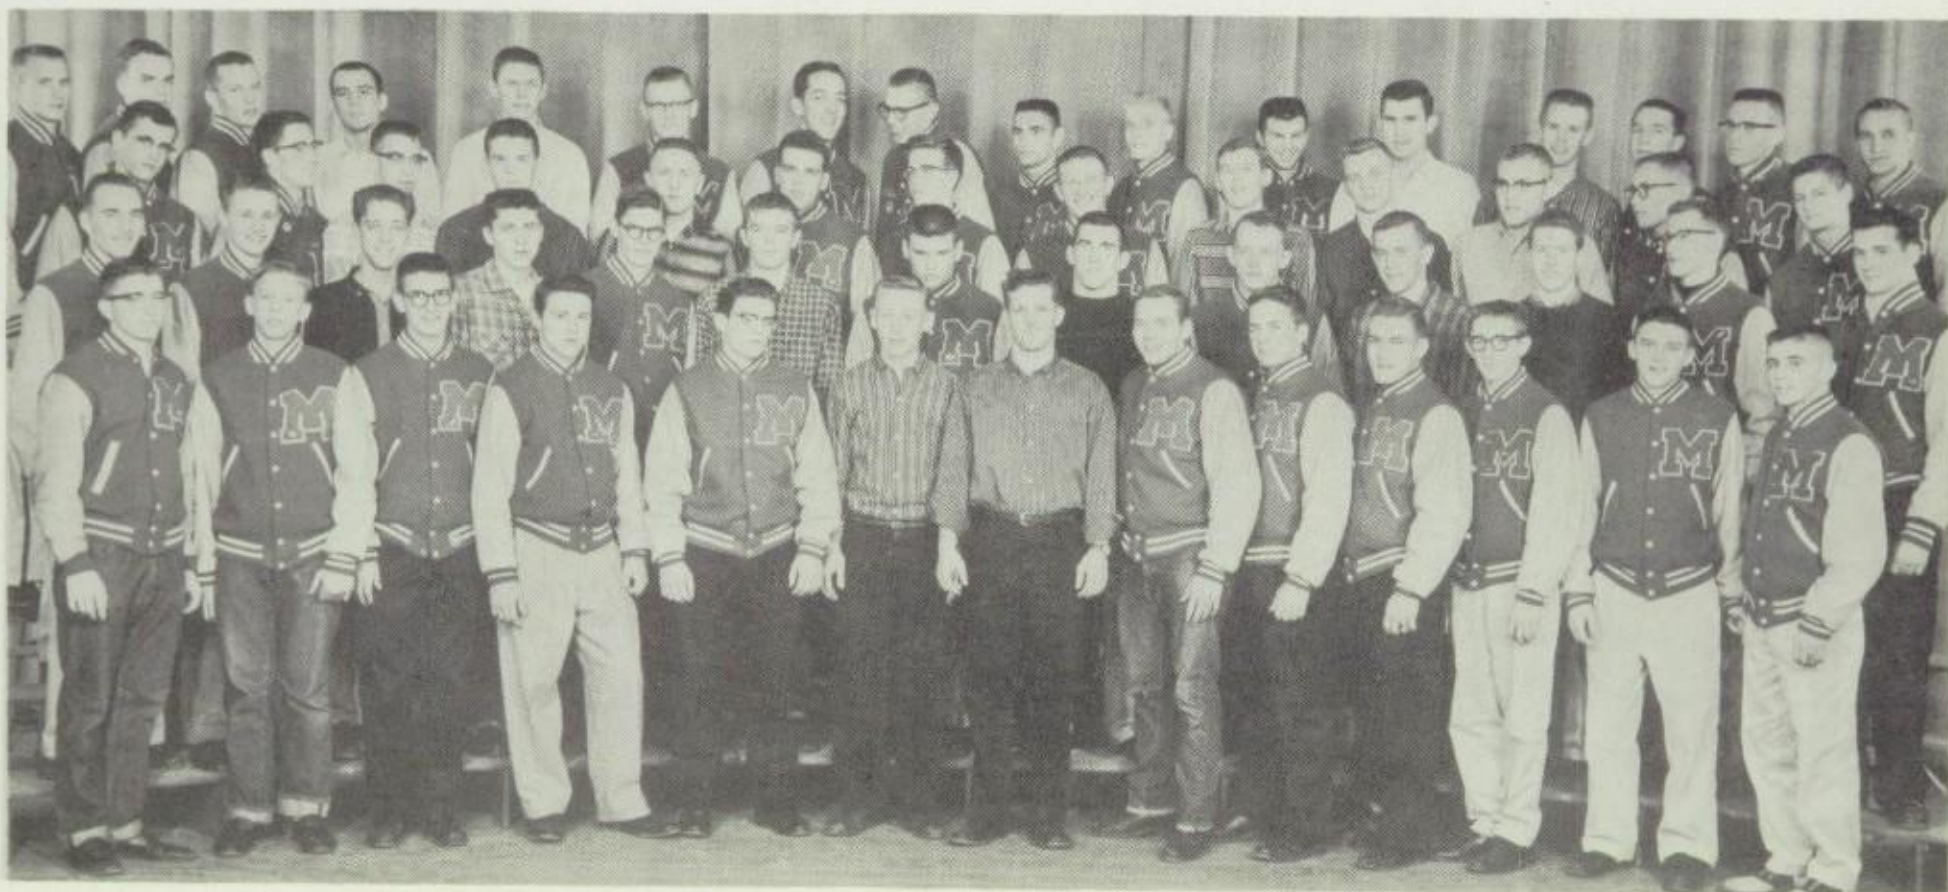

THREE MAJOR projects sparked the M club this year. One was the purchasing of individual track trophies which were given to the boys who participated in the Big Nine track meet which Mankato won. The club's second project was buying trophies for the boys who helped in defeating Owatonna for the Big Nine wrestling crown. The club sponsored a banquet held in honor of every MHS boy who had one or more letters in high school athletics. The group sponsors the refreshment stand at the football games.

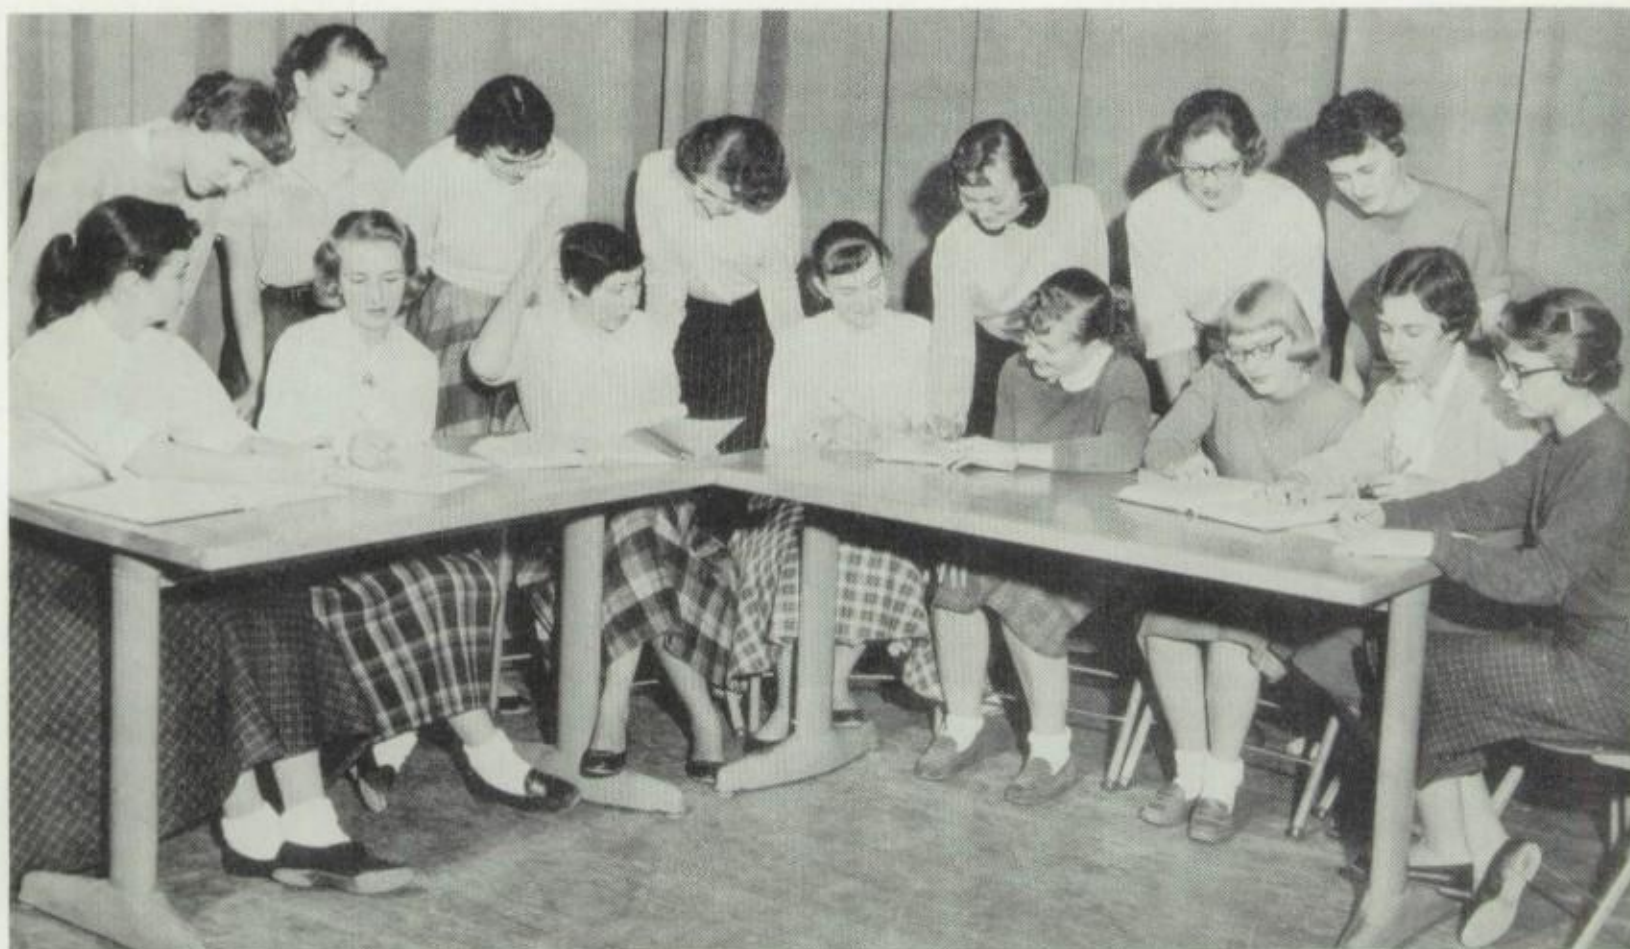

The aims are to promote better sportsmanship, to encourage development of athletics and to develop school spirit.

Officers of this year's club were Fred Lutz, president; John Peterson, vice president; Kent H. Smith, secretary, and Ron Van Guilder, treasurer. Gordon Hakes was the advisor. Membership in the club is gained by winning a letter in any sport sponsored by the school.

Loading up to help open the refreshment stand at a fall football game are officers Kent Smith, John Peterson, Ron Van Guilder and Fred Lutz.

Council Leads Y-Teens

SPACE FOR YOU and *A Place For You* was the theme for all Y-teen groups and each month the groups carried out the theme in some way. At the beginning of the school year the theme was presented to new sophomores and old members.

Throughout the year the council took charge of different projects. Again, in February they sponsored a dance. This time it was with a *Jack of Hearts* theme, including valentine decorations. Each Y-teen member submitted her vote for Jack of Hearts. The candidate could be any senior boy. Five candidates were Bill Ellgren, Fred Lutz, Herb Stangland, Dick Taylor and John Wagner. Fred Lutz, the winner was presented a gift certificate.

Officers for the year for the council were Jean Bond, president; Ann Warren, vice president; Janet Rolstad, secretary; Betty Zeyen, treasurer.

Fred Lutz was chosen Jack of Hearts of the Y-Teen sponsored dance.

Banquets, Invitations Fill Language Year

NEW SPANISH members were "all shook-up" on the eve of formal initiation this year, but they found out the elders weren't such "bad eggs" after all. It wasn't as hard as they thought it would be; of course, there was a free lunch afterwards to make up for any hard feelings.

Informal initiation was more fun and everybody was more relaxed. The ceremony was based on a musical theme; and everybody had to dance, sing, or put on a skit.

A pinata party and a banquet in spring ended the year's festivities.

Terry Fuller, president; Marilyn Mornes, vice president; Marlys Case, secretary; Tom Nelson, treasurer—these more talented Spaniards led the group through a successful year.

Guiding Latin club members through the year were Virginia Klenk and Mike Jones as the Co-councils and recorder Georgia Koberoski.

The saying is that language students are always studying. *Row 1:* Bob Kooser, Diane Hammargren, Mary Kolling, Virginia Klenk. *Row 2:* Terry Fuller, Marilyn Morness, Tom Nelson, Marlys Case.

INITIATION OF new members into Concilium Latinum was first on the agenda for the year. Dixie-cups were served following the ceremony. Because the new members going into the club numbered so many, the initiation had to be split between two meetings. The juniors and seniors were in one group and the sophomores in another. At the school Carnival, Latin club sponsored a game of throwing darts at a Roman shield. Climaxing the year was the annual banquet.

UNDER THE able leadership of Bob Kooser, president, the German club held informal initiation ceremony combined with a pot-luck. Other officers were Diane Hammargren, vice president; Mary Kolling, secretary; Virginia Klenk, treasurer. Sponsor was German instructor, Arnell Gish.

The purpose of the organization was to acquaint

German students with the customs and lives of the German people. The club consisted of MHS students who were enrolled in either first or second year German classes and those that had already completed the course.

As a concession at the annual high school Carnival the club sponsored a root beer and pretzel stand. The annual banquet concluded the year.

Did we hear the boys helped paint the new Y? Wonder what it looked like? Imagine Steve Gerth, Herb Stangland, Tom Nelson, Kent Smith and Bill Zell getting in practice here.

SINCE MANKATO'S YMCA was moved to a new location much of the Hi-Y's time was devoted to painting the upstairs rooms and part of the basement of the new building. Other projects included selling popcorn balls at the annual school Carnival to aid the foreign student fund.

The officers were Kent H. Smith, president; Herb Stangland, vice president; Tom Nelson, secretary; Bill Zell, treasurer; and Harold Fitterer, sponsor.

Membership requirements are that the boy be of high school age and have a genuine interest in the welfare of the organization. In April they sent six delegates to the Model Legislature held in St. Paul at the State Capital.

Sewing the new ceiling together was a project for many nights. The girls had to work hard to have it ready for its first use at the Pi formal in the fall. Janet Rolstad, Linda Byers, Peggy Vihstadt and Mary Hesla work.

PI DELTA RHO, a service project organization, invested in a blue tarlatan ceiling for the gymnasium this year. The fixture, to be used at all school dances where a drop ceiling is necessary, will eliminate the necessity of crepe paper.

The material can be handled in various drapings and is of stiff, porous fabric. It was first used at the Pi formal dance.

Carrying out its service purpose, several of the members worked at the Immanuel hospital snack bar during Thanksgiving vacation. Decorating book marks and kleenex holders for the Mankato Lutheran home and the Mother Francis home were also projects for the year. February saw the girls cleaning the trophies in the case in the MHS lobby.

Officers for the group were Linda Byers, president; Mary Hesla, vice president; Janet Rolstad, secretary; Peggy Vihstadt, treasurer; Roz Engstrom, sargeant-at-arms.

Club sponsors were Mrs. Eiler Ravnholt and Mrs. Inella Burns.

Minneapolis Trip Tops Year for Artists

IN THE CREATIVE arts division Brush and Palette, an art club, is under the supervision of Miss Dona MacNaughton.

The club has been active this year working with the Stage club on sets for the Variety upper class show and the class plays, as well as operating a make-up booth at the Carnival. The highlight of the year was the field trip to the Walker Art Institute and to the Minneapolis Institute of Art, to study the various collections of jade, sculpture and oils.

Biologists See Film, Hear Career Lectures

BIOLOGY AND Advanced biology clubs have just finished a busy year. Included in the schedule for Biology club were a Walt Disney film on the Olympic Elk and lectures on careers in nursing, smoke jumping, radiation and forestry and conservation.

Officers of the club this year were Jerry Roth, president; Jerry Fenger, vice president; Roger Case, secretary; Ann Jones, treasurer.

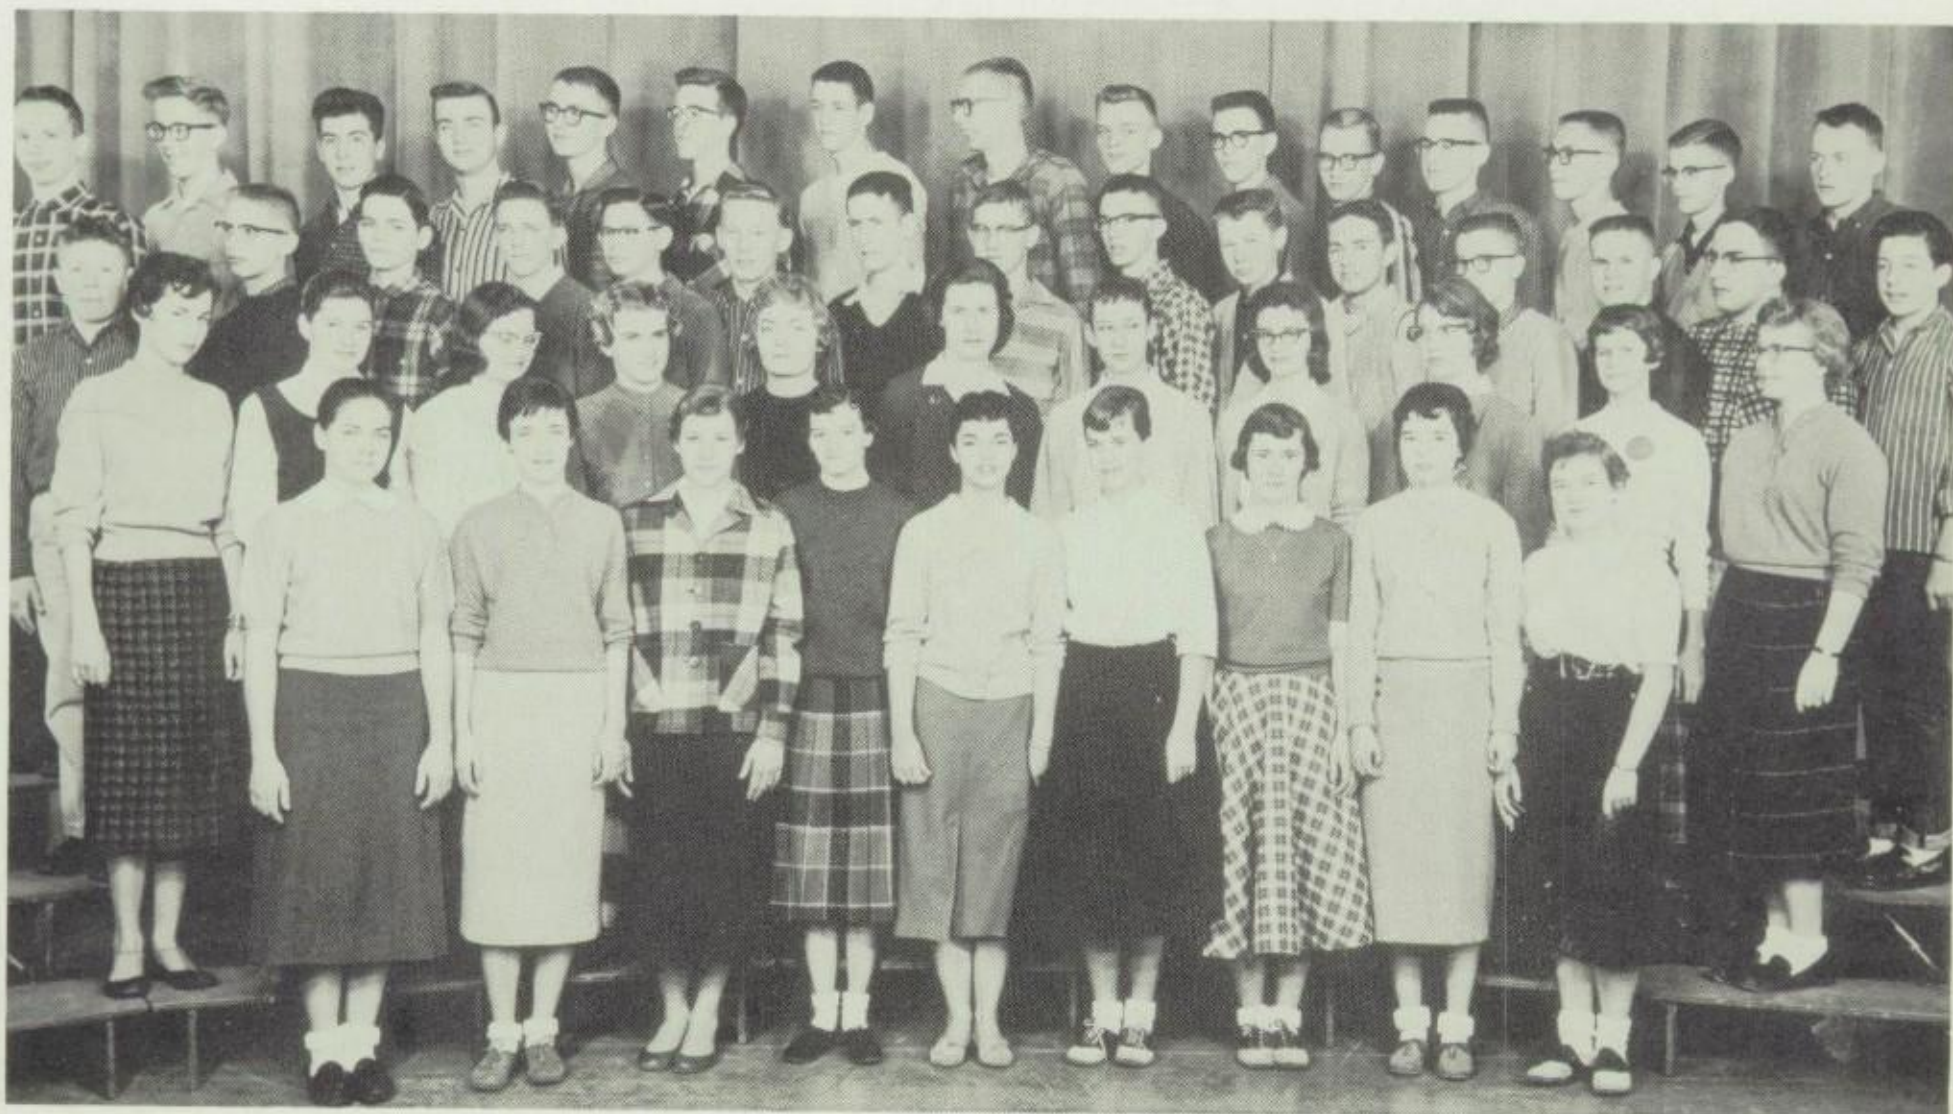

For its first year the Advanced biology club was very active. The highlight of the year was a trip to the University of Minnesota where a tour was made of various schools on the campus. Trips were also taken to the Audubon camp in Wisconsin and to the Sand lake refuge in South Dakota. The officers of Advanced biology are Steve Pfeiffer, president; Bob Kooser, vice president; Jim Storm, secretary-treasurer.

In the spring a joint picnic was held with members of both clubs attending. On the menu were such delicacies as rattlesnake steaks, octopi, and turtle eggs. Richard Myshak is advisor for both groups.

Watch it, Jerry! You're about to be "netted". Biology club officers on a winter field trip are Ann Jones, Jerry Roth and Gerry Fenger.

A TRIP TO the Mayo clinic in Rochester was just one of the many things on the agenda for the Nurses club. Officers were Mary Hesla, president; Marcia Lehnert, vice president; Mary Kolling, secretary-treasurer; Sandra Rush, correspondence secretary. Junior Red Cross filled boxes to be sent overseas again this year.

Contributions were collected in homerooms. The group also sponsored a candy sale. Faculty advisors for Junior Red Cross were Miss Sylvia Weese and Mrs. Harriet Senasac.

THE FUTURE FARMERS of America met every two weeks with John Ritz, president; Douglas Fraunholtz, vice president; Tom Fitterer, secretary; William Compton, treasurer. Others were sentinel Steve Schmidt and reporter Robert Timm. This year's projects included planting trees and selling items to finance a picnic and excursions. Harold Sandoff was the advisor.

Some of the activities that highlighted the Junior Historians' year were a trip to the state capitol, science museum and the Minnesota historical building in March. The club this year was headed by Chuck Westphal, president; Bob Kooser, vice president; Martha Hanson, secretary-treasurer. Lyle Roberts advised the group.

Stage work for *The Robe*.

STEPPING FORWARD to become a major part in MHS activities this year was Stage club. Taking an active part in both the junior and senior class plays has always been its chief function, but this year special construction work was needed for both productions. Before undertaking the difficult problem that the senior class play *The Robe* created, the club divided into committees to do the work more effectively.

Each committee had its own set to build and its own budget to work with. Thanks to their industry and genius under Harold Fitterer's guidance, the sets for *The Robe*, *The Great Big Doorstep* and the Variety show were ably produced.

Really "hanging" on to every word of Mr. Fitterer? Stage club officers were Dick Taylor, Mike Jones, Judy Strand, Giovanni Belgiojoso and Mike Hammar.

Drama Club Teams Plan Monthly Meets

WEARING COSTUMES of every description, those who survived tryouts were formally initiated into Drama club last fall.

Each year the club members present two plays at our annual carnival. *Little Nell* and *If Thoughts Could Speak* were the plays performed by the dramatists. The money received from these productions was given to the foreign student fund.

The club members were divided into teams which planned the monthly meetings that included speeches by our foreign students, plays given by Drama club members, a Valentine party and a farewell meeting for the graduating members.

The officers of the club were Virginia Klenk, president; Sharon Anderson, vice president; Lois Christensen, secretary; Arlyn Knudsen, treasurer. Advisor is Miss Irene Mehlhouse.

Sharon Anderson gets madeup for one of the drama club plays. "Assisting" Sharon to a "better self" are Lois Christensen, Arlyn Knudsen and Virginia Klenk.

Filing a term's progress At the end of a century

ALTHOUGH THE march of progress is ruthless in its destruction of remnants of bygone days, Seppman's mill has remained to illustrate the changes in our community. Here the 96 year old monument, one of Minnesota's few wind-driven mills, draws the attention of Richard Myshak as he leads members of his biology class on a field trip.

Karen Barton
Helen Stavenau

Now hear this! Alvin Vick and Principal Milton Vihstadt ready to bring out an announcement.

Richard Meintsma really needn't be worried about his weight. Miss Catherine Pinney is helping him along, but Mrs. Eva Quiram knows it's all a joke.

Bond Issue Voted; New Addition Planned

WITH THE passage of \$3,600,000 bond issue, census figures indicate an expected increase in public school enrollment during the next five years will be accommodated. Sixty new classrooms and additions to present structures will be built.

The construction of two elementary schools, an addition to the high school and vocational school, the remodeling of Franklin and Lincoln elementary and junior high schools are several of the projects to be built under the proposal according to Superintendent Erling O. Johnson. March 4 from noon to 8 p.m. was the date set for voting on the new school bond issue. The election also included the approving of bonds for a new North Mankato grade school to be built where Tanley field is now located.

The proposed additions to MHS include an extension on the east end, which will provide for additional classrooms, a biology laboratory with a greenhouse for additional lab work, a laboratory for special science work by advanced students and facilities for the Student Council. An addition west of the present auditorium will include an orchestra room, storage and work area for the stage and storage space for the cafeteria. An addition to the vocational building is planned for also. This would include four shops for classes in woodworking and drawing. Other improvements would be additional locker rooms and a storage building for vehicles, equipment and supplies.

You guessed it. On their way to a coffee break are secretaries Rosemarie Kleinow, Lila Schulz, Mrs. Verona Stoesz, Shirley Oleson and Mrs. Marjorie Tomlinson.

Superintendent Erling Johnson and Miss Loretto Veigel check over building plans essential to the school district this year.

MANY STUDENTS are helped through the efforts of Catherine Pinney and Richard Meintsma, *Guidance* directors. They help students in their problems of class and college selection along with personal guidance. Mr. Meintsma also teaches two classes of social science.

Doing all the clerical jobs in the school are the secretaries Rosemarie Kleinow, Lila Schulz, Shirley Oleson, Mrs. Verona Stoesz and Mrs. Marjorie Tomlinson.

Among the many activities of Alvin G. Vick, *attendance officer*, is *Scarlet Downbeat*. Milton Vihstadt our *principal* is very busy, too, keeping MHS running smoothly and orderly.

Business Manager Adrian Schweiger takes time out.

Administration, Guidance Aid Student Work

Meeting for a monthly session are Edward Budde, Mrs. Ray Loeffler, Eugent Benson, Erling O. Johnson, Donald E. Swenson, Miss Loretto Veigel, Dr. Russell Dorland and Vernard Lundin.

Special Departments Add Variety in Curriculum

MISS IRENE MEHLHOUSE is our *speech* instructor and also teaches senior English. Miss Mehlhouse is kept quite busy with her outside activities, Drama club and declamation. Another instructor in the speech department is Mrs. Lucille Northrop, *speech correctionist*. Mrs. Northrop works primarily with the elementary students.

Journalism is taught by Miss Mabel Lou Ahrens. A "B" average in English is required before entering this course. After completing the course, Miss Ahrens will place you on the *High News* or *Otaknam* staff. Miss Dona MacNaughton is the instructor of *art*. A three year course requiring average grades to continue is offered. Miss MacNaughton also advises Brush and Palette.

Miss Margaret Hobart is the MHS *librarian*. Miss Hobart also trains anyone who would like to be an assistant librarian. Television was the big thing in *audio-visual* this year. Sets were purchased through Christian Arnold for the grade schools. *We* got the cable just in time for the World Series.

What's this? Sitting down on the job! Miss Irene Mehlhouse and Mrs. Lucille Northrop discuss speech problems.

Everyone is getting scientific. Miss Margaret Hobart and C. J. Arnold check on visual aids.

Change about in the art and journalism departments. Miss Mabel Lou Ahrens seems to need some instruction in painting as Miss Dona MacNaughton reads the paper.

Vaudeville comes to Kato with the music department leading the way. Melvin Knutson, Robert Northenscold and Eugene Vuicich take to dancing.

Burning the midnight oil? Lowell Haugen, Miss Bertram Cannaday, Mrs. Inella Burns, Miss Loretto Hylden and Harold Fitterer are really trying to get those tests corrected.

Music Department Installs New Class in Theory

Must have been one of those mornings when Eiler Ravnholt's car wouldn't start. Here he catches up with co-worker Phillip Iverslie.

MELVIN KNUTSON is music co-ordinator. Mr. Knutson teaches first and second choir, and also a new class, music theory. Anyone may belong to this class, designed to teach the fundamentals of music. Instrumental music is directed by Robert Northenscold and Eugene Vuicich.

Mr. Northenscold is the band instructor and Mr. Vuicich the orchestra instructor. This is Mr. Vuicich's first year with us.

We have six teachers primarily instructing *English*. Mrs. Inella Burns, Miss Bertram Cannaday, Harold Fitterer, Lowell Haugen, Miss Loretto Hylden and Mrs. Leone Myers. Miss Hylden and Mrs. Burns teach sophomore English; Mr. Fitterer and Mr. Haugen, junior English; and Miss Cannaday and Mrs. Myers, senior English. Mr. Fitterer also advises debate and directs the junior and senior class plays.

Eiler Ravnholt and Philip Iverslie teach *social science*. This is a required senior subject.

Boning up on foreign affairs are language instructors Arnell Gish and Miss Lucy Joyce.

Math, Science Increase in All-Important Age

"Say, men, they're not out this time of the year you know." Confused science instructors Sumner Scott, Joseph Biersteker, Richard Myshak and Karl Aaberg appear to be looking for butterflies.

With all those instructors, Giovanni Belgiojoso will really be an A student. Karl Adolphson, Orville Schwankl, John Larson and Lyle Roberts all offer help.

ALL-IMPORTANT *science* courses are taught by Karl Aaberg, Sumner Scott, Joseph Biersteker, and Richard Myshak. All these teachers instruct another subject or outside activity. Mr. Aaberg teaches photography; Mr. Biersteker, math; and Mr. Myshak, Biology club and a newly organized club, Advanced biology.

Miss Lucy Joyce and Arnell Gish are *language* teachers. Miss Joyce teaches Latin and Mr. Gish teaches Spanish and German as well as advising the junior class and being assistant wrestling coach.

Karl Adolphson, John Larson, Lyle Roberts, and Orville Schwankle make up the *history* department. History is a required subject and taught only to sophomore and junior students. Interested junior students with at least a "C" average can join the junior historians which is under the leadership of Mr. Roberts. Mr. Schwankl, Mr. Adolphson, and Mr. Roberts are all coaches.

Oh, come, now! That problem isn't so tough. Math teachers in a quandry are Miss Beth Bishop, Miss Eleonor Biebl and Gordon Hakes.

Area Vocational Looks to Expansion

ALGEBRA, GEOMETRY, senior math, practical math, trigonometry, and higher algebra are the *math* courses offered at Mankato high school. Enrollment in math courses has increased this year creating a new subject, senior math, for students who have had one year of algebra. Eleonor Biebl, Beth Bishop, and Gordon Hakes take care of the math department. Miss Bishop advises Student Council and Mr. Hakes coaches.

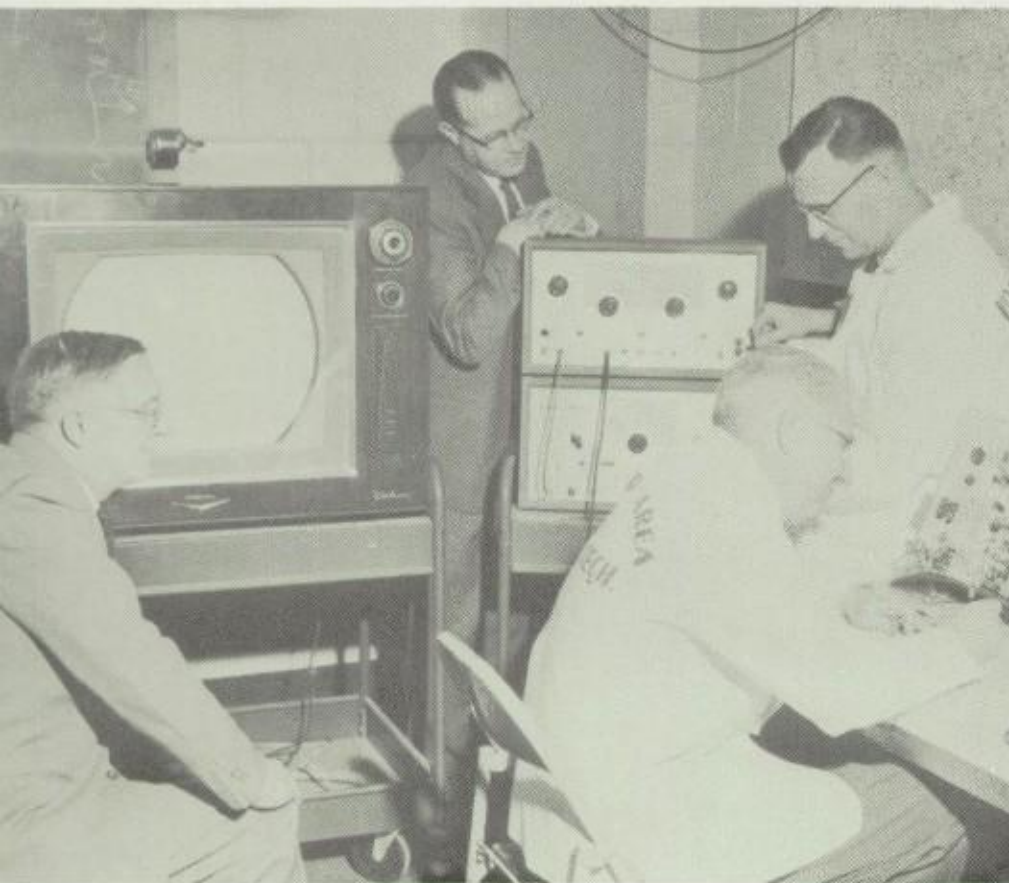

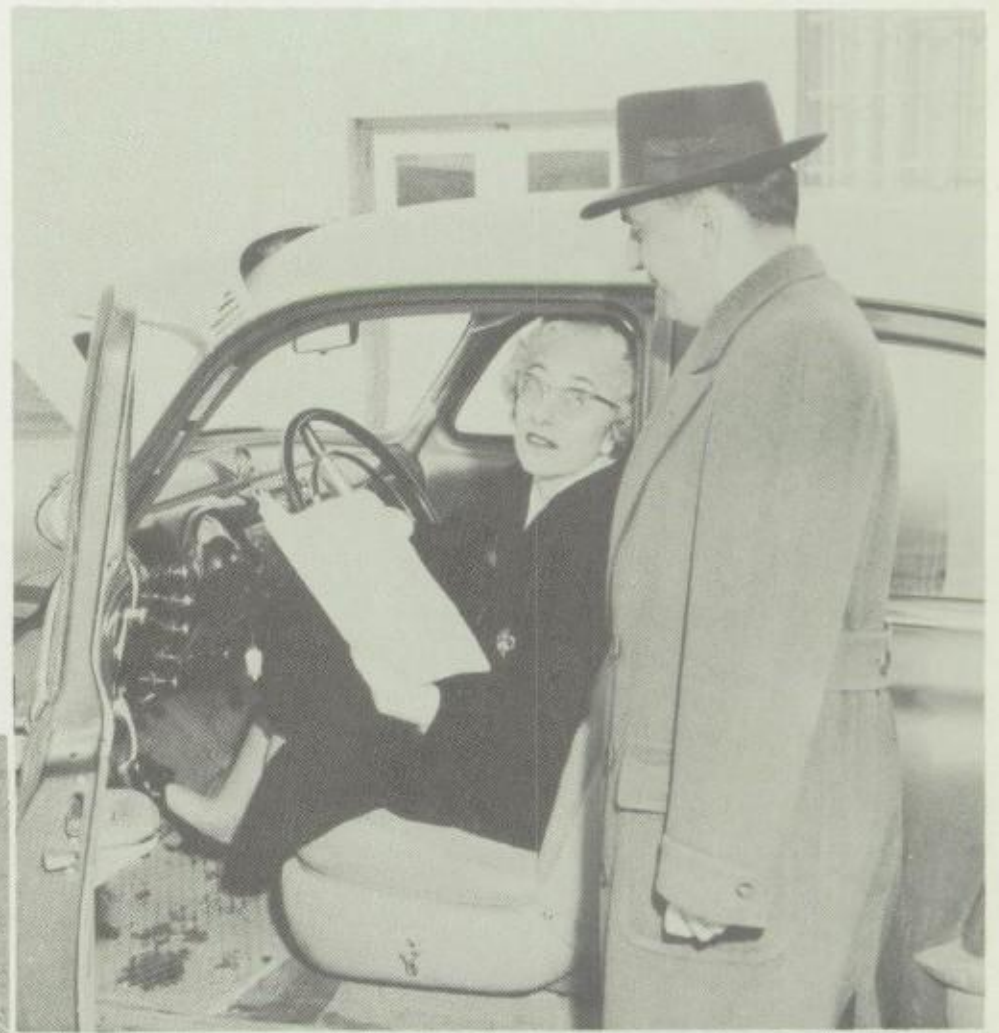

Through the co-operation of the *vocation-technical school* such courses as basic industrial training, industrial electronics, industrial machines and internal combustion engines are available to MHS students. These courses are offered to boys who wish to make their high school training serve to equip them for future jobs. Frank Kalin is head of the vocational school with Harold Aga, Karl Evarts, Ragnar Moen, and Frances Roetzler as instructors.

Agriculture and *home economics* are offered as vocational subjects being subsidized by the federal government. Certain projects are required throughout the year to complete the course. Mrs. Harriet Senesac and Harold Sandhoff are instructors.

Working to help place students in diversified occupations classes are Miss Vida Alexander and John Votca.

FRANK KALIN
Vocation and Evening School
Director

Can you imagine having a TV in *your* workshop. Karl Evarts, Ragnar Moen, Francis Roetzler and Harold Aga think nothing of it. They even have colored ones!

Everyone's taking lessons *this* year. Harold Sandhoff gets a first hand practice session in using the blender. Mrs. Harriet Senesac is demonstrating.

Jerry Anderson gets a lesson in David Ling's own hotrod. Isn't the model a little outdated?

Certainly with so many business experts, someone ought to be able to make a million dollars. William Mickelson, Miss Sylvia Weese, Harold Schuchard and Miss Cora Weum.

DAVID N. LING, teaches *driver's training*. Any student who has a driving permit can take the course. Training starts in the classroom and continues with driving in the school car.

Many students use their *business* training to secure jobs after graduating from high school. Miss Sylvia Weese, Miss Cora Weum, William Mickelson, and Harold Schuchard teach the commercial subjects, bookkeeping, business law, typing, shorthand, and secretarial studies. Mr. Schuchard helps with Yell club and Mr. Mickelson is an assistant coach.

Phy Ed Essential for Physical Fitness

PHYSICAL EDUCATION today is becoming more and more important. The nation's youth is supposedly becoming softer and the Mankato high school gym teachers Mrs. Mary Chadwick, Edward Johnson, Louis Todnem, Luverne Klar, and Miss Patty Thomsen, are helping our students to become physically fit. The course is required of all sophomore and junior students with an elective for the seniors.

Ethel Cochran is the cafeteria and lunch director who plans and supervises the cooks in their work. The cooks are Olga Stolt, Esther Thom, Nella Volk, Elvira Heuer and Marie Griffin.

The custodians are some of the most important people in Mankato high school because they make our school comfortable and livable.

Really looking at the "birdie." Luverne Klar, Louis Todnem, Miss Patty Thomsen, Mrs. Mary Chadwick and Edward Johnson get ready for a game of badminton.

Getting ready to start the day are Mrs. Myrtle Van Camp, Frank Hurby, Lester Bevens, Ben Daby, Mike Shambouer, George Keitzer, Ambrose Sanders, David Alexander and Norb Anderson.

For Looks, Nourishment

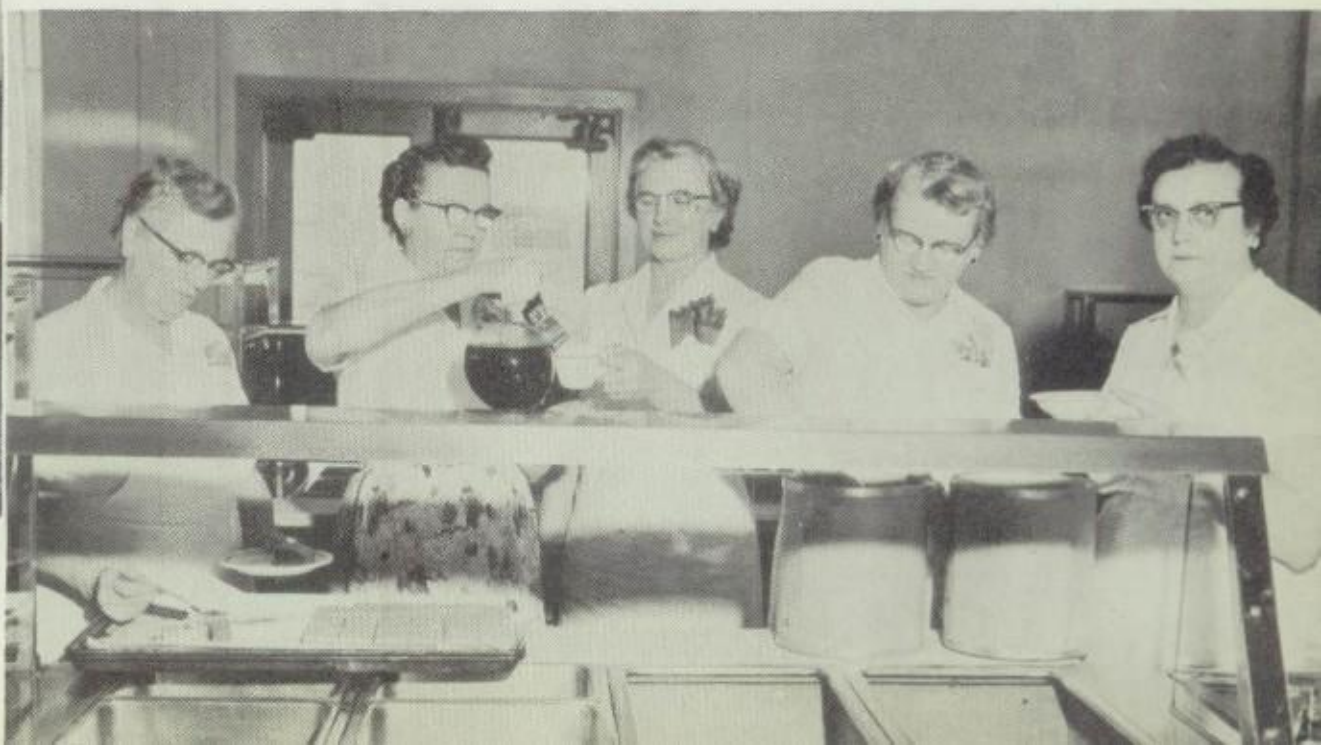

THE CUSTODIANS are Mike Shambouer, Lester Bevens, David Alexander, Frank Hurby, Ben Daby, George Kritzer, Ambrose Sanders, Jeb Monge, Mrs. Myrtle Van Camp, and Norb Anderson head custodian.

Some parts of the school have changed colors this year. All the stairways have been repainted in an effort to help the school keeps its new atmosphere.

Time out for coffee for Olga Solt, Esther Thom, Nella Volk, Elvira Heuer and Marie Griffin, cafeteria cooks.

Miss Ethel Cochran checking stock for lunch.

Inscribing our achievements At the end of a century

THE NEWEST model car is sure to catch the eye of the average high school boy. Last fall the Edsel was introduced as the newest make in the automotive field. The comparison of the new Edsel and the 1928 Cadillac illustrates the progress developed in industry, education and living throughout the years.

Seniors

Tom Nelson, Roger Schmidt Lead Class

WE'VE JUST ended a memorable and cherished year in our lives. It's over: the 'big wheels', the capable leaders, and the body of our class will be seen no more in 'the halls of Kato'. All the fun of high school, the dances, the carnival, the variety show and many more will be in our memories for the rest of our lives. The projects our clubs and Student Council have promoted have added not only fun but have taught us to accept the responsibilities we will assume someday. We've learned a lot and had fun doing it, but when we don our caps and gowns and walk up on the platform to accept our diplomas, it will all be over.

This year will end our childhood. Yet it should not be called the end, but just the beginning. These years which we now look upon as the most trying we have experienced, the years between being a child and an adult, have been merely the building years. The greater part of our lives is yet to come. Although we have not acquired all the knowledge that books can teach us, we have learned much from our experiences here in Mankato high.

It's A Women's World, Juniors Prove

EAGERLY AWAITING its last year at MHS the junior class accepts its turn to set an example for the underclassmen. The enthusiastic members of this class have had many new responsibilities this past year, including choosing class rings, selecting class officers, presenting a class play and sponsoring the annual Junior-Senior Prom and Banquet.

They will long be remembered for the talent which their cast displayed in the class play, *'The Great Big Doorstep.'* Although the class did not attend the banquet this year, we realize that their efforts were none-the-less diligent to give the seniors the best ever.

Much of the juniors' leadership was guided by the capable class officers. These were Kathy Johnson, president; Tom Mueller, vice president; Sue Anderson, secretary; Marilyn Mornes, treasurer.

A women's world pays off for Tom Mueller as he's served by Kathy Johnson, Marilyn Mornes and Sue Anderson.

What class did they skip for a toboggan ride? Sophomore class officers Don Christ, Chuck Alley, Grover Mullin and Bill Rogers.

Sophomores

Sophomores Elect Rogers, Alley, Christ, Mullin

A CLASS of leaders and a group excelling in imagination will vividly describe the sophomore students. Co-curricular activities as well as the academic subjects contributed to their learning. Showing a great display of school spirit, they have done their share of supporting activities. They gained a certain amount of respect and responsibility as they participated in their first year.

Great enthusiasm was illustrated when they elected Bill Rogers as president; Chuck Alley, vice president; Grover Mullin, secretary; Don Christ, treasurer.

Every sophomore student has his own thoughts as he recalls experiences he has had in his first step at MHS. With all of their commendable deeds, they have had a very profitable year.
